CAL Families,

Welcome back! We are set to begin our fall sports seasons and are looking forward to seeing all of you back on the fields and courts as well as in the stands. Below is everything you need to know (and probably more) from CAL Athletics for the 2026-2027 school year.

ATHLETIC PASSES

We are offering the option to purchase athletic passes again this year. Passes grant access to ALL regular season home games for EVERY sport at every level for the entire school year. Family and individual passes are available to purchase throughout the school year. Student passes are offered at a discount and must be ordered by Aug. 21. Students aged 10 and under are free at athletic events and do not require a pass/ticket.

SPORTS PHYSICALS

Tryouts for most fall high school sports begin on July 15 (see registration instructions on next page). The athletic office must have a current physical on file in order for any athlete to participate in any school athletic event, including tryouts. If you're unsure if your athlete's physical is current, check with our office.
