### *Weighted and Unweighted GPA*

\*Honors classes earned from other schools that are not offered at CAL are not weighted.

# R a n k

We do not rank.

For Valedictorian and Salutatorian, we calculate the GPA using a formula incorporating quality points\*

\*Quality points are determined by the most number of classes, highest level of classes, and the best grades in those classes. Study halls and other non-credit awarding classes will affect the formula used in the computation.

*Most high schools do not rank*

# Advanced Placement (AP)

- College level course
- Must meet recommendation requirements
- Must pass exam in order to have college credit
- Great preparation
- \$100 fee charged for the exam

# Dual Enrollment (DE)

- Be aware of minimum GPA
- May be able to use KEES Scholarship
- ACT – minimum composite score with a certain subscore in the subject area that corresponds with the high school dual credit course may be required, or
- PSAT – minimum composite score may be required in a certain percentile

# Dual Credit Study Hall

- You choose the course and the college
- Be aware of minimum GPA, ACT, or PSAT requirements for college you are considering
- If class is offered at CAL, (i.e. English, Psychology, etc.) you will **not** receive credit on your high school transcript
- Great way to explore interests or further education in an area you already know you want to learn more

Be careful with your course  
selection for

JUNIOR YEAR!
