CARPOOL

PRINTABLE MAPS and NOTES

(Updated 08/06/24)

ARRIVAL

For **arrival**, carpool starts at 7:15 a.m. There is only one route.

At 7:30 a.m., the line splits and a second line forms on the high school side (same as last year). Please see the maps below.

DISMISSAL

For **dismissal**, there are three separate routes (choose one):

1. If you have only elementary students.
2. If you have elementary + middle/high school students.
3. If you have only middle and/or high school students.

Recommended Arrival Times: Morning and Afternoon		
	Morning	Afternoon
Drivers with Elementary Students	7:15-7:40	2:45
Drivers without Elementary Students	7:50-8:05	3:15

*For drivers *without* elementary students, please arrive as late as possible (ideally after 7:50 a.m.) to allow drivers with elementary students room to drop off first.

Zero Room for Error

To help make things safer *and* faster, we ask these things:

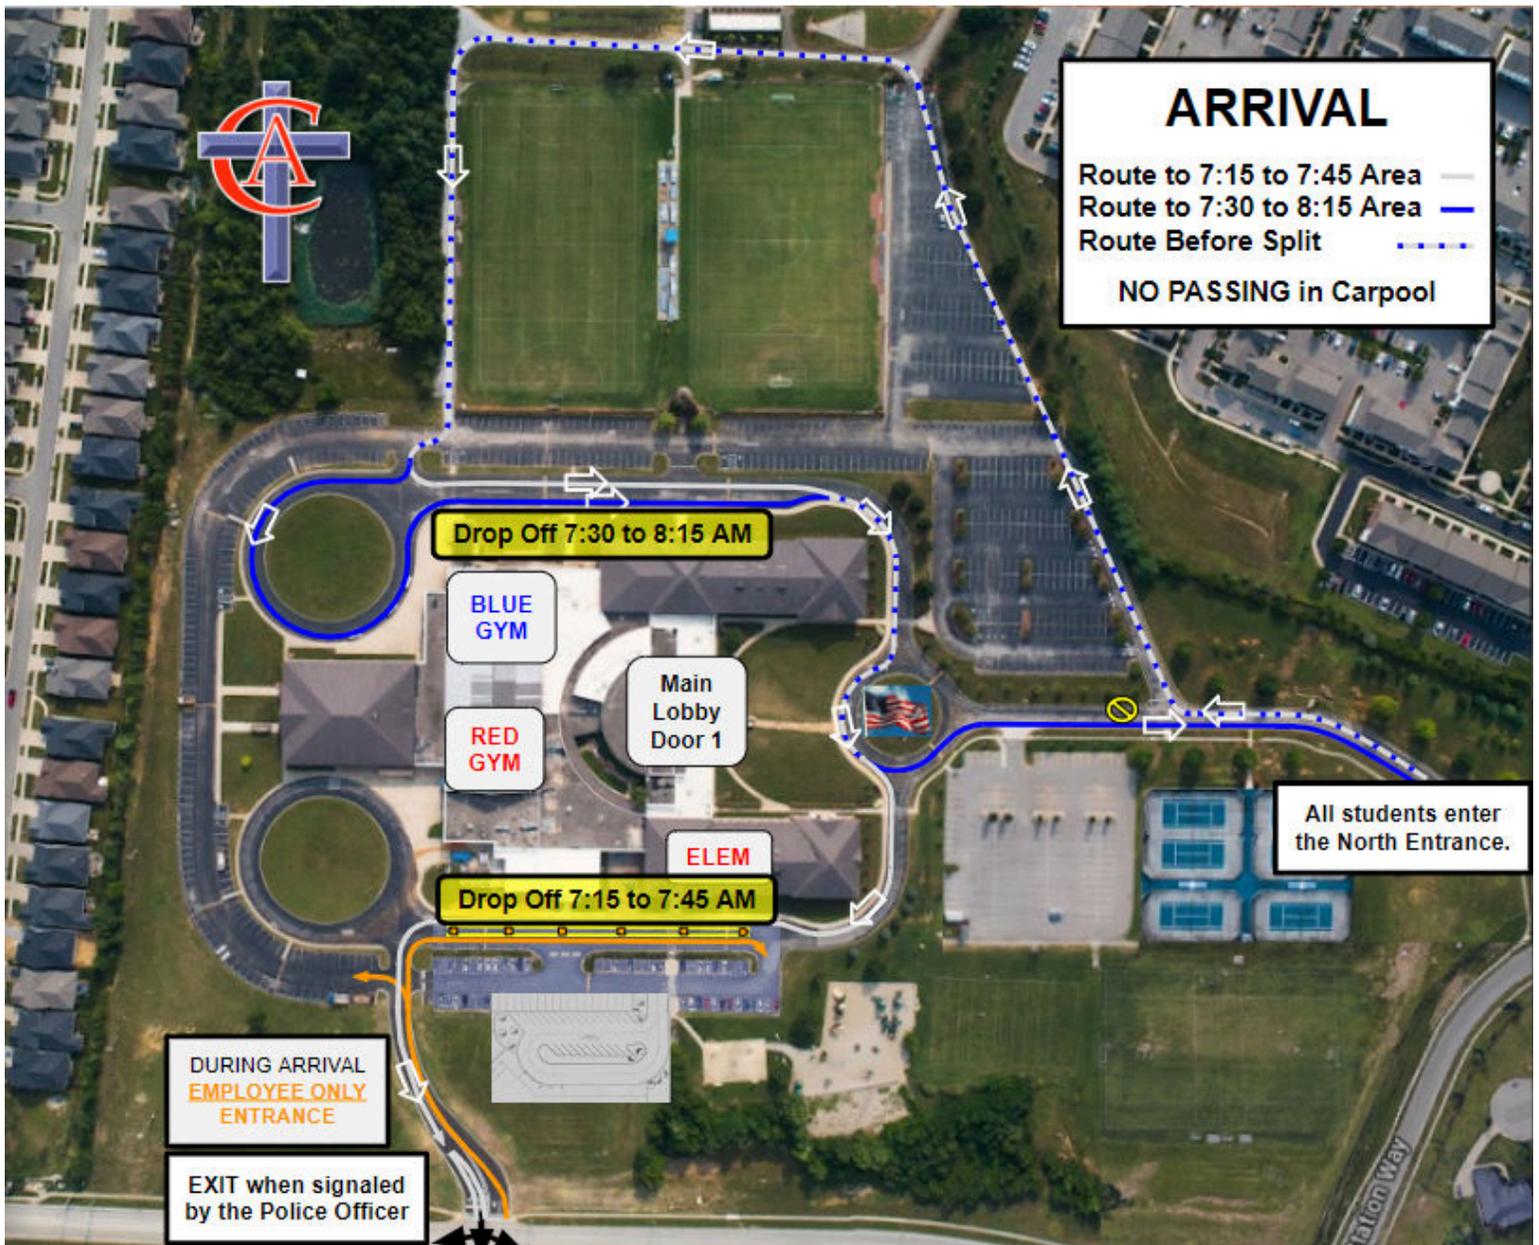

1. Please do not drop off/pick up students in unapproved areas, such as the visitor parking lot, front of school, or adjoining neighborhoods. As these practices create safety risks, the school will follow a zero tolerance policy for offenders. For *repeat* offenders, the school will issue monetary fines and disciplinary consequences.
2. Please do not cut through an adjoining neighborhood unless you live there or are picking up someone who lives there. We want to be good neighbors.
3. When exiting from the main exit, please do not turn left from 7:15 to 8:15 and from 2:30 to 3:30, when traffic cones indicate a right turn, or when carlines exist. Turning left creates the potential for a serious accident, and it slows the line for everyone.
4. **NO PASSING in CARPOOL.** Students often exit vehicles from both sides.

ARRIVAL: ALL DRIVERS

All carpool drivers should follow the **dotted** line around the athletic fields.

From 7:15 to 7:45 a.m., drop off students where indicated on the elementary side.

From 7:30 to 8:15 a.m., drop off middle and high school students on the high school side. **Note:** Parents may also drop off elementary students on the high school side.

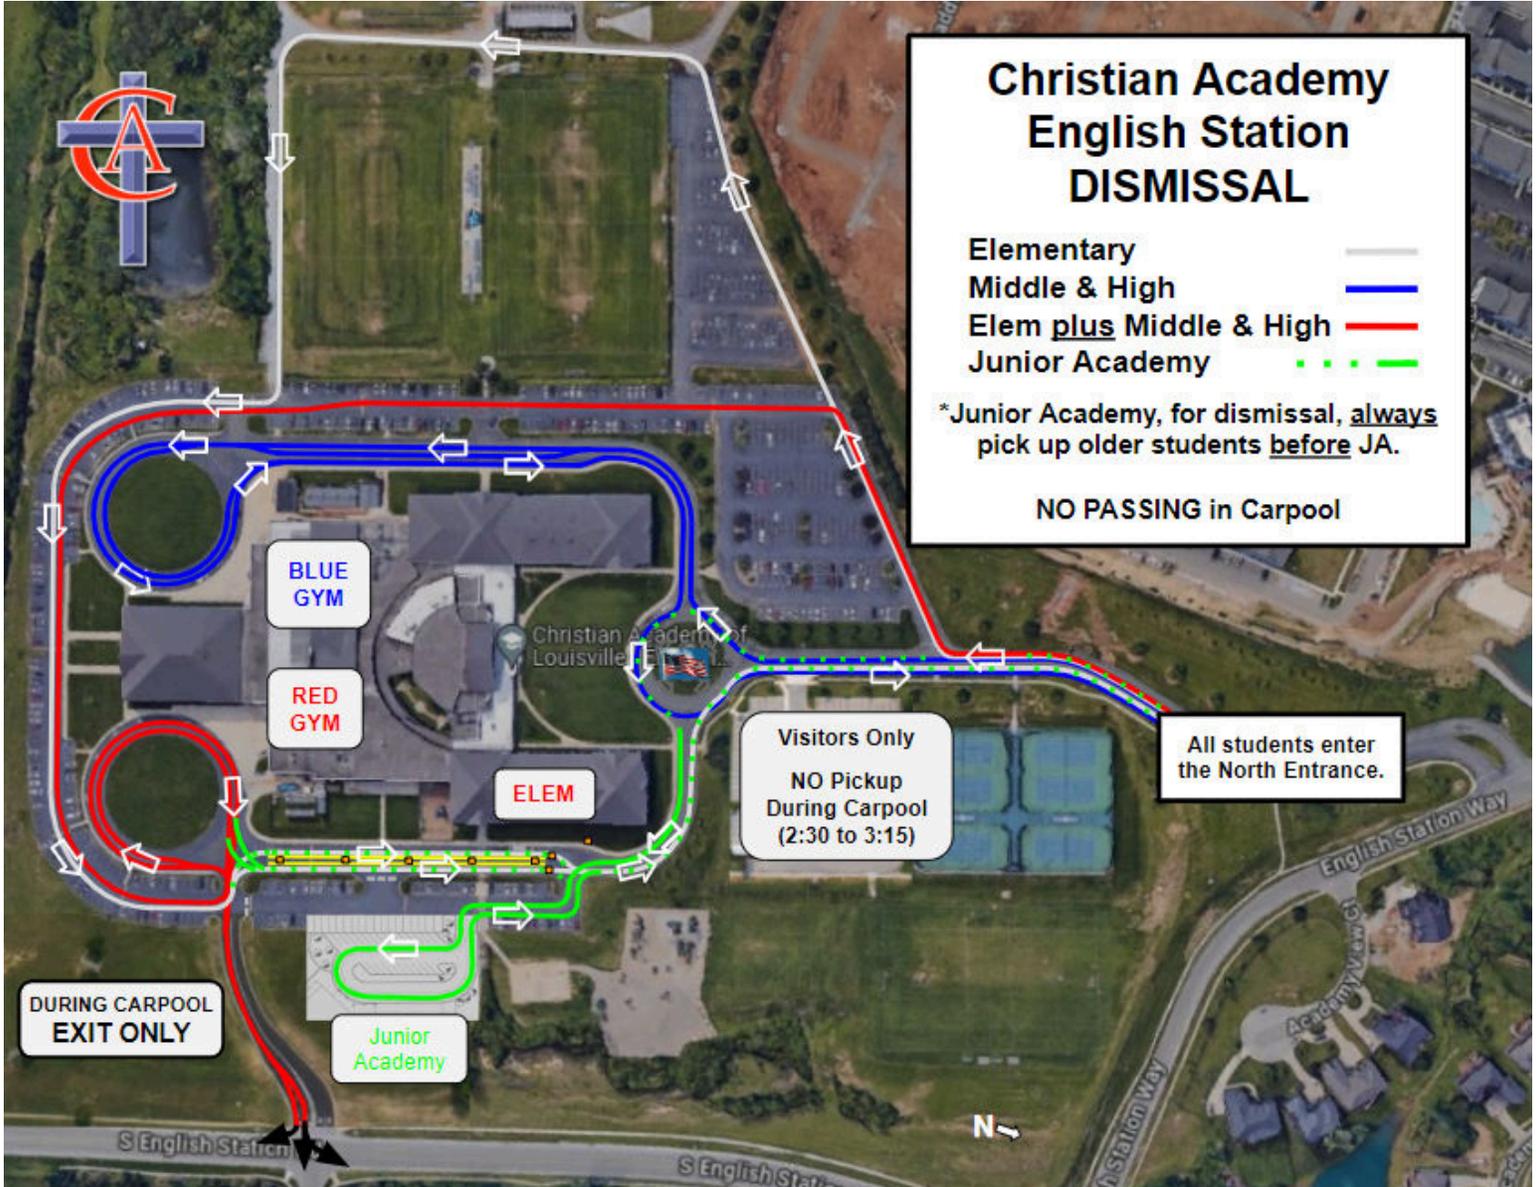

- Please start following the traffic pattern (dotted line) at 7:00 a.m.
- Do not drop off students anywhere other than the yellow highlighted areas.

DISMISSAL: IF YOU HAVE ONLY ELEMENTARY STUDENT(S)

Follow the white line around the athletic fields. Pick up where indicated on the elementary side (same pick-up process for elementary as last year).

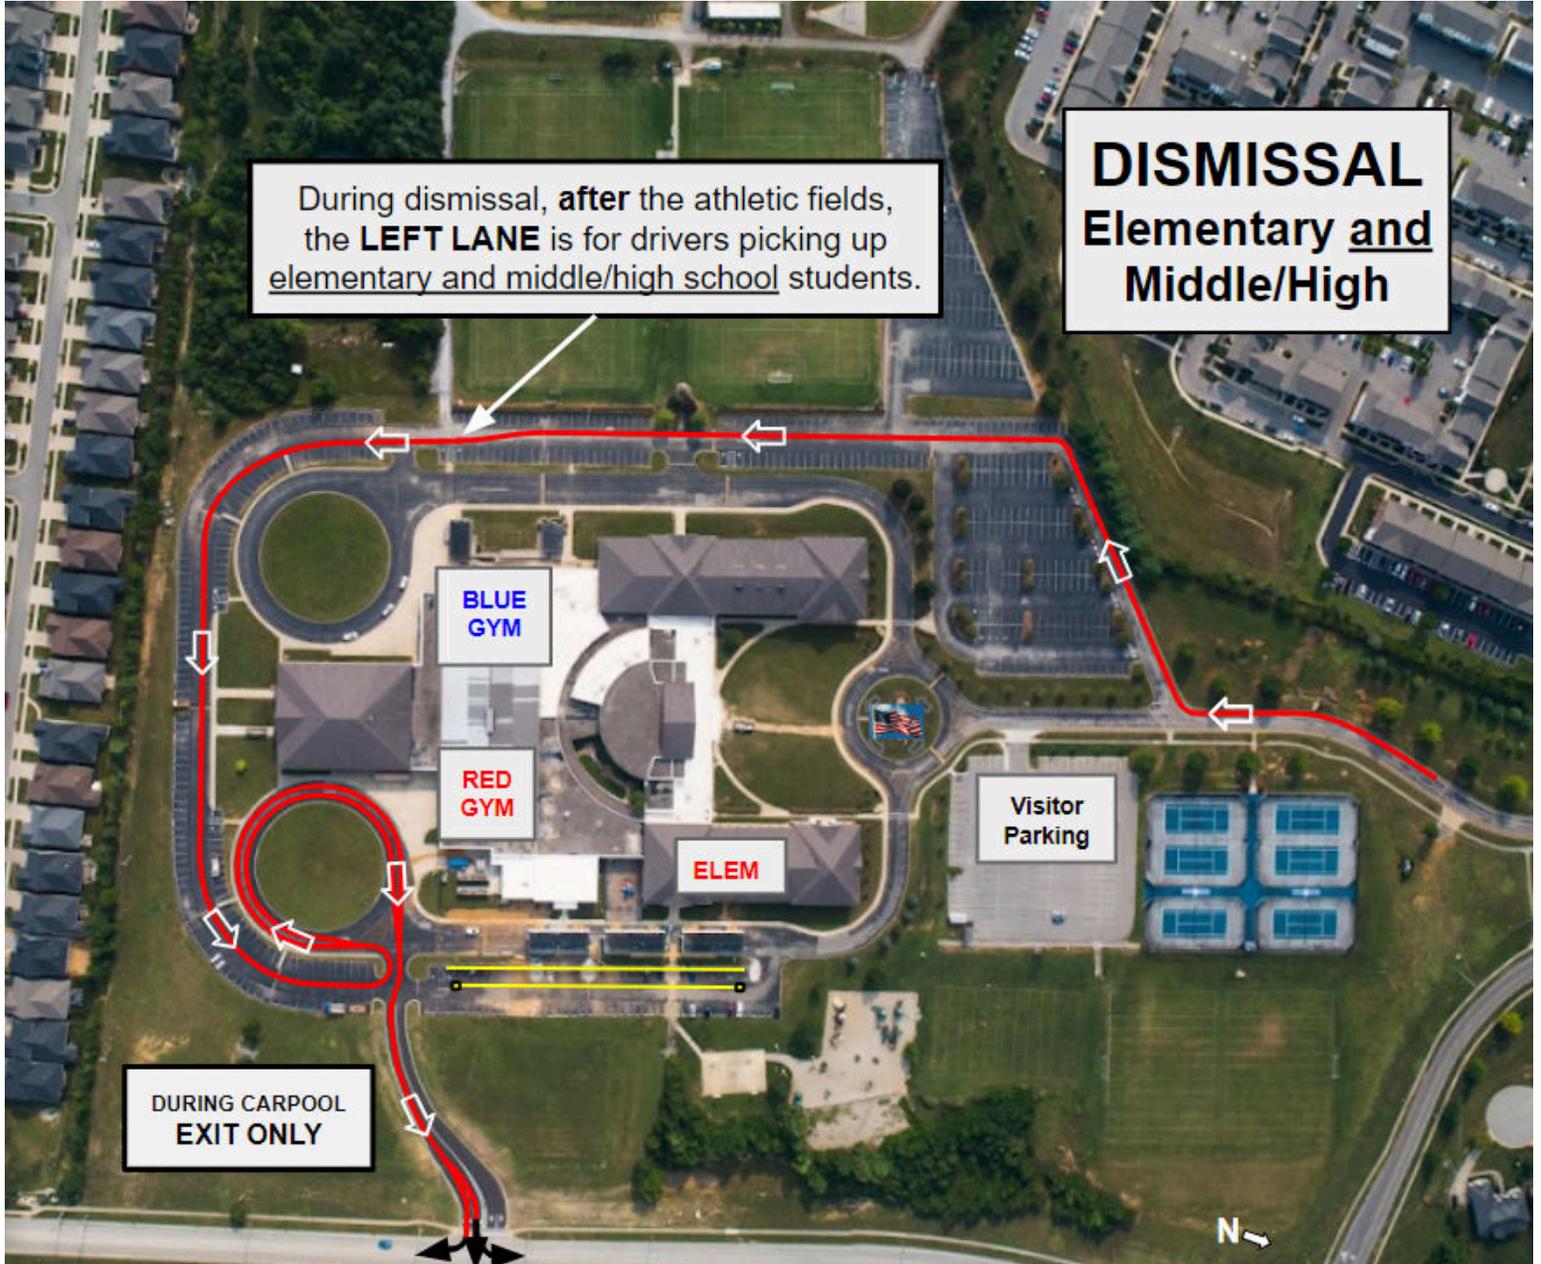

Please display your school-issued carpool number clearly in the window (not flat on the dash).

DISMISSAL: IF YOU HAVE ELEM + MIDDLE/HIGH STUDENTS

Follow the **red** line. Pick up your elementary and middle/high student(s) together in the **red** gym circle.

Please display your school-issued carpool number clearly in the window (not flat on the dash).

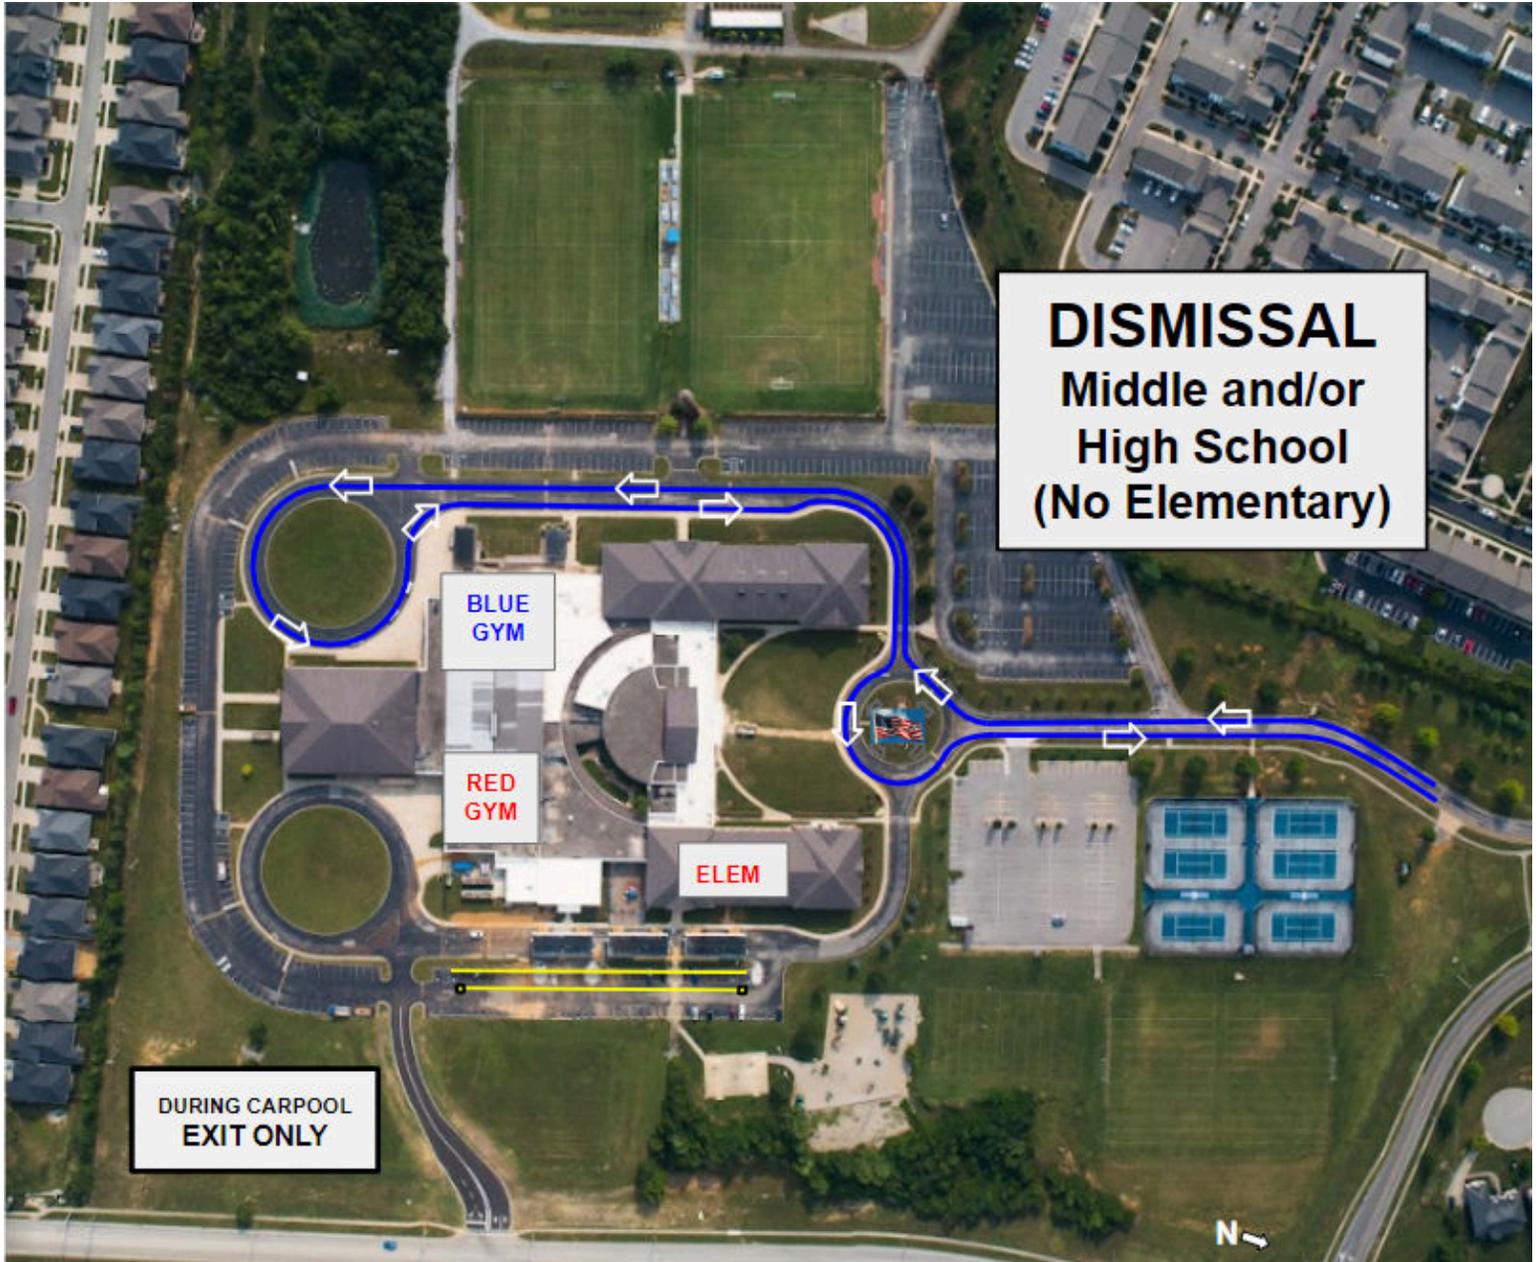

Please encourage your older children to help your younger children as appropriate.

DISMISSAL: IF YOU HAVE ONLY MIDDLE/HIGH STUDENTS

Follow the **blue** line and pick up middle/high school students in the **blue** gym circle.

Please display your school-issued carpool number clearly in the window (not flat on the dash).

Thank you to our drivers who show kindness to our carpool team (Ephesians 4:32), including our police officers (most of whom are CAL parents, too). Our team works outside regardless of weather conditions.

Thank you for choosing to send your child(ren) to CAL.
We sincerely value your continued confidence and trust.
