

1st Annual Christian Academy
of Louisville
Chuck & Duck Dodgeball
Tournament
Saturday, August 31st 6-9pm
Blue Gym

This letter is to announce important information about our **1st annual Chuck & Duck Dodgeball Tournament** to be held here at Christian Academy of Louisville in the Blue Gym on **Saturday, August 31st, 2024 from 6-9pm**. The purpose of this evening is to provide a fun, exciting, social activity for our students and families. The dodgeball competition is for current 4th and 5th grade students of Christian Academy of Louisville English Station Elementary, but the fun is for all CAL families. This evening will include friendly games of dodgeball (using soft gator balls), music from yesteryear, and random, crazy entertainment. Parents and families are encouraged to attend and cheer on the students. **Special Note:** This is a very safe and fun activity. This is not “old school” dodgeball that has recently been portrayed as a fearful, dangerous activity. It is an event with students running to and fro, chucking and ducking dodgeballs. The event will be properly managed and supervised.

You will find a permission slip attached below. Please sign the form, and have your child return it to his or her **team captain** no later than Friday, August 30th.

Remember... ALL are welcome to attend and watch. It will be a BLAST!

Please detach and return to your team captain.
