Chapel Family Question

Why is it not enough to just want to imitate Jesus? Why do we need a relationship with Him?

Parent-Friendly Answer: We are sinners who need a Savior. Non-Christians can imitate

Jesus as a good example, but Christians follow

Jesus as the Son of God who saved us from our sins!

<u>Child-Friendly Answer:</u> We can't just copy Jesus —we need Him to save us! Jesus is God's Son who forgives our sins and helps us live like Him.

Counselor News

Hello CAL Families!

Here is some information on the importance of school attendance, being on time, and having regular routines for your family.

Did you know?

- Attending school regularly helps children feel better about school and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important.
- Eventually, good attendance will be a skill that will help them succeed in high school and college.
- Students can still fall behind even if they miss just 1 or 2 days of school every few weeks.
- Absences and tardies can affect the whole classroom if the teacher has to slow down learning to help children catch up.

What you can do to help:

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- If your child seems anxious about going to school, talk to teachers, school counselors, and other parents for advice on how to make your child feel comfortable and excited about learning.
- Develop backup plans for getting to school if something comes up.
- If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.
- Identify a quiet place for your child to do school work.
- Get and post your child's class schedule and log in information on the refrigerator or your child's desk.
- Ask for help when you need it.
