Meet your elementary school counselors Kate Black and Ashton Brown.

Kate Black has a Master of Arts in Mental Health Counseling. This will be her 4th school year with CASS and her 3rd year serving as the full time counselor at CAL ESEL. When Kate is not counseling students, you will probably see her at one of her son's high school football games. Go CAL!

Ashton Brown has a Master of Arts in School Counseling. This will be her 10th year at CAL ESEL and her 4th year in the counseling department. When Ashton is not counseling students, she is taking care of all her pets - all the way from cats to cows!

We are very excited to work with your student(s) this year in guidance lessons and as needed in individual counseling. If you need any resources for outside counseling/therapy services or would like to talk to us about any issues or concerns facing your student(s), please do not hesitate to reach out.
