Loving Literacy

We are SO excited to host a school-wide reading challenge for the month of February -

I Love to Read Month!

The goal is for students to read as many minutes as possible during the month. When students read **1, 5, and 15 hours** over the course of the month, they will receive an individual prize. All prizes will be distributed at the end of the month.

The **class** that reads the most in each grade level will receive a **donut party** and a **“dress like a book character” day**. The **student** in each grade level who reads the most will receive a **reading prize pack** and a **gift card for the book fair**.

Your student will be bringing home a reading log to fill out each week. Please return the sheet by the date listed on the reading log. Late forms will not be accepted. Look for the **YELLOW** form that came home in your child's folder last week. **This final form is due back Monday, March 2nd!**

Kindergarten-2nd grade may count *picture books, chapter books, graphic novels, and non-fiction books*.

3rd-5th grade may count *chapter books, graphic novels, and on-level non-fiction books*. We are so excited to see all the great readers we have at

CHAPEL CONVERSATION STARTERS

1. The Silly Question "If you were a Lego piece today, what color and shape would you be?"

Example Answer: "I'd be a bright red bridge piece, because I helped two friends get along at recess today!"

2. The Jesus Question "Jesus wants us all to fit together. Who is someone at school you could reach out to this week to make sure they feel like they belong?"

Example Answer: "I noticed a student sitting by himself. I could ask him to play with us tomorrow so he knows he has a place here."

The Gospel Connection:

We don't have to be perfect to fit into God's family. While we sometimes feel like "broken" pieces, Jesus is the perfect piece who connects us back to God and holds us all together. In His Church, every single person belongs.

Please welcome our new Elementary receptionist, Mrs. Southers!

Mrs. Southers joined the elementary team on February 9th, and she is a joy to have in our office. This is who you will most likely speak to if you call the elementary office, and she can be reached at elreception@caschools.us. Say hello next time you are here!

Hi! My name is Katie Southers, and I am so excited to start working at Christian Academy! My husband, Jackson, and I are from Dallas, Texas and recently moved to Louisville, where he is going to Southern Seminary! My hobbies include embroidery and scrapbooking, as well as pickleball! Christian Academy's heart for the Lord and truth was so evident, and I truly think that a Christ-centered education is so beneficial for all ages! I am so thankful that the Lord led me to this school.
