CHAPEL TABLE TALK
LET YOUR LIGHT SHINE!

DISCUSSION STARTERS

1 The Choice of Light Question: We know that light is kind and selfless, while darkness is unkind and unhelpful, and selfish. When you are on the playground or in the classroom, what is one way you can "shine the Light" by being compassionate or helpful to a friend?

2 The Hidden Light Question: If we are mean, hurtful, or only think of ourselves, it's like putting a big bowl over a lamp - it hides the light and makes things dark for everyone. Why do you think it is better for us to be "uncovered" and choose kindness instead of being selfish?

GOSPEL REMINDER
"Living Like Christ in the Light"

God is light, and in Him, there is no darkness at all. Jesus said that He is the light of life, and in a world that can sometimes feel dark and scary, the good news is that we we don't have to stay in the dark. God's light has come into the world through Jesus, and that light is so powerful that darkness can never overcome it.

The most amazing part? If we follow Jesus. His light now shines through us. The Bible tells us that we are the light of the world because of Him. We don't have to hide our light by being mean, hurtful, or rejecting others. Instead, we show Christ's light by being kind, helpful, and always putting others before ourselves. Let's let our lights shine!
