## Easter at CAL

This time of year is so beautiful. We take time to remember what Christ has given us through the cross and resurrection. The tradition of Blossoming the Cross is such a sweet way for our students to see the beauty of the cross and the gift of Jesus. Each student placed a flower on the cross to be displayed at the front of our school for all to see during Easter week. We also enjoyed a special Easter chapel and raising of the cross all together with many parents and family members in attendance as well. We hope and pray that you took some time this Easter season to reflect and remember all the Christ has given to you.
