Our Elementary recently celebrated Valentine's Day in their classes. They had the best class parties loving on one another and hearing about Christ's love for us.

Our Middle School is gearing up for their meal packing event. CALMS has partnered with Ocotillo Christian School in Honduras, through Lifeline ministries, and will be packing 60,000 meals on **March 28th**.

Recently, forty-three students in the Christian Academy School of the Arts were selected to participate in All-state Band, Choir and Orchestra. The students had the opportunity to sing and play in ensembles with the best and brightest from around the state of Kentucky on the stage of Whitney Hall in the Kentucky Center for the Arts.

Providence School has been BUSY!

Our Providence School has a very special event coming March 21st! World Down Syndrome Day (WDS) is a global awareness day which has been officially observed by the United Nations since 2012. The date for WDS being the 21st day of the 3rd month, was selected to signify the uniqueness of the triplication (trisomy) of the 21st chromosome which causes Down syndrome.

On WDS, ALL of our students wear silly socks supporting our Providence kids!

Bailey is a therapy dog our students get to visit frequently. They love her!

Valentine's Day fun

A couple of our Providence students at Winter Ball

Many of you have heard about our ALL IN campaign, either through mailings, emails or some personal touch. With the money we raise through this campaign, we're able to help fund so many amazing programs our school provides to our kids. Here's our recent mission team in Poland this past summer. What a wonderful opportunity these high schoolers had to give back.

Black History Month

February was Black History Month and our Director of Biblical Unity, Deon Parker, has been busy explaining the importance of us being unified in Christ's large family of believers. This video features pictures of various Christian Academy students, special cameo appearances of 9 Christian Academy of Louisville (English Station) High school students, and a special cameo appearance of 1 Christian Academy of Indiana Elementary school student. We pray that this story of positive progress causes you to praise God, through whom nothing is impossible, who is the author of all good gifts, and who is leading our pursuit of Biblical unity at Christian Academy.
