***** **Meningococcal Booster (required for all students once they turn 16)**

All students must have a current Immunization Certificate, Preventative Health Care Exam (also called a school physical, NOT a sports physical - they are different forms) and a state issued birth certificate on file in the health room as this is required by state law. Christian Academy reserves the right to withhold attendance of any student who fails to comply with these state regulations until the forms are received within a timeline deemed acceptable by administration.
