Dear Parent(s)/Guardian(s) of Incoming Eleventh Grade Student(s) for the 2025-2026 School Year,

All students entering eleventh grade are required to have a Meningococcal (MCV) booster shot. This is required by the state once a student is 16.

- **UPDATED IMMUNIZATION CERTIFICATES INCLUDING THE MENINGOCOCCAL BOOSTER SHOT ARE DUE JULY 23.**
- **FAILURE TO SUBMIT THE UPDATED IMMUNIZATION CERTIFICATE WILL PREVENT THE RELEASE OF YOUR STUDENT'S SCHEDULE/CHROMEBOOK AT THE HIGH SCHOOL BACK-TO-SCHOOL EVENT.**

*** If your student turns 16 after July 23, I have noted this on your student's file. The updated immunization certificate will come due 30 days after your student turns 16. If your insurance will not allow a well visit prior to July 23, please email me and include proof from your doctor's office of the future scheduled appointment date.

Please email all updated immunization certificates to calnurse@caschools.us

If you have any questions, please email me at calnurse@caschools.us. Thank you in advance for your attention to this important matter.

In His Service,
