Thirty-six weeks; two semesters; eight block classes each meeting five days over a two week period.

School System Facts

The CAL School System holds a distinctive place among educational institutions in the Louisville area by providing high-quality affordable Christian education since 1976. In addition to our English Station campus, our other school is: *Christian Academy of Indiana* Pre-K - 12

2010 & 2020 National Blue Ribbon School

The Blue Ribbon Schools Program honors public and private schools whose students achieve at very high levels or have made significant progress in achievement. English Station High School has been awarded this recognition in both 2010 and 2020.

GRADUATION REQUIREMENTS

The **Standard Program Diploma** provides a basic traditional education. The **College Prep Program Diploma** is more intense and includes course work required by major colleges and universities. The **Honors Program Diploma** provides a challenging course of study for top students and includes courses that offer the opportunity to earn college credit while at CAL. Community service hours are required for graduation.

The following 22 credits are required for all three diplomas:

English	4 credits	Math	4 credits
Science	3 credits	Social Studies	3 credits
Health	½ credit	Fine Arts	1 credit
Bible	4 credits	Physical Education	½ credit
Electives	2 credits		

In addition to these 22 credits, two credits of Foreign Language are required for the Honors and College Prep Program diplomas. The Honors Program requires 24 credits and a 3.5 grade point average. The College Prep Program requires 24 credits and a 3.0 grade point average.

Diploma Distinctions

School of Fine Arts Designation: To receive the School of Fine Arts Designation, students must complete all required course work and maintain a 3.0 GPA in all classes specific to their School of the Arts track.

School of Biomedical Science Designation: CAL is a certified Project Lead the Way school offering a world-class biomedical curriculum that enables students to obtain the skills needed to succeed in the global economy. Students can earn the School of Biomedical Science Designation by completing the required course work and maintaining a 3.25 GPA in their science course work.

School of Spiritual Formations: In addition to our four-year high school Bible courses, this organic three-year pathway fully unites with the mission statement of Christian Academy. It is for the student who desires an advanced, personal experience in biblical studies, discipleship and leadership.

School of Engineering Designation: CAL is a certified Project Lead the Way school offering a world-class engineering curriculum that enables students to obtain the skills needed to succeed in the global economy. Students can earn the School of Engineering Designation by completing the required course work and maintaining a 3.5 unweighted GPA in their science, math and engineering classes.

DIPLOMA STATISTICS

Forty-seven percent of 2024 graduates received Honors diplomas, 35% received College Prep diplomas and 15% received Standard diplomas. Thirteen percent received the School of the Arts Distinction, 12% received the School of Biomedical Science Distinction and 2% received the School of Spiritual Formation Distinction.
