

## SUPPLY LIST FOR HIGH SCHOOL

Supplies are generally due by the Monday after school starts. We know you do not have your schedule yet but this will give you an idea of what you will need. Not all teachers submit their supply lists in advance. If a class you requested is not listed, the teacher will give you a supply list on the first day of school. Some items may be added to the list on the first day or throughout the school year. Do you take honors or AP? Unless otherwise stated all supplies are the same as in the regular classes. If you have questions about an item, **wait** and the teacher will go over requirements. Notebook paper is college rule, pens may be either black or blue and you always need pencils!

ALGEBRA I	TI-84 graphing calculator, notebook paper, graph paper, pencils, colored pencils, highlighters (3 colors), and a package of glue sticks.
ALGEBRA II	TI-84 graphing calculator (BRING 1 <sup>ST</sup> DAY), graph paper; no Casio calculators allowed.
