

SUPPLY LIST FOR HIGH SCHOOL

Supplies are generally due by Monday after school begins. We know you do not have your schedule yet, but this will give you an idea of what you need. Not all teachers submit their supply lists in advance. If a class you requested is not listed, the teacher will give you a supply list on the first day of school. Some items may be added to the list on the 1st day or throughout the year. Do you take honors or AP? Unless otherwise stated, all supplies are the same as in a regular class. If you have questions about an item, **wait**, and the teacher will go over the requirements. Notebook paper is college rule, pens may be black or blue and you always need pencils!

Algebra I	TI-84 graphing calculator, notebook paper, graph paper, pencils, colored pencils, colored pencils, highlighters, 3 colors
