

GARDEN CLUB

JANUARY 8TH - WEDNESDAY

Hands-On Learning

Actively engage and learn practical experience in planting, nurturing, and cultivating plants.

Community

Gardening fosters a sense of community by bringing people together and cultivating a shared appreciation for nature.

Plant Care

Learn the basics of plant care, including proper watering, pruning, soil management ensuring healthy, thriving plants.

Join us in cultivating not just plants, but also a sense of stewardship and appreciation for the environment. Let's sow the seeds of knowledge together and watch our garden thrive!

MIDDLE SCHOOL ART ROOM, 3:20-4 PM

Ready to ignite your passion for gardening?
Come grow with us at our next garden club meeting!
