Policies and Procedures

2024-2025

G.1.0 INTRODUCTION

For no one can lay any foundation other than the one already laid, which is Jesus Christ.
I Corinthians 3:11 NIV

This Family Handbook is intended to serve as a convenient source of information about Christian Academy School System. Please study it carefully together as a family upon receiving it, and keep it ready for reference during the year.

The following policies and procedures represent the most recent expression of the leadership of Christian Academy schools in order to provide for equitable and consistent treatment of students and families. Neither this handbook nor anything in it is a contract. To assure that Christian Academy schools achieve and maintain the purpose of this policy manual and to assure the organization's continued ability to meet its needs and those of its students and families under changing conditions, Christian Academy schools reserve the right to modify, augment, suspend, or revoke any and all policies, procedures, practices, and statements contained in this manual at any time.

Questions about policies or procedures should be directed to the appropriate school administrator. It is the goal of Christian Academy schools to endeavor to create an environment where Christ is honored every day and where there are few distractions to learning.

May God bless our school family as we work together to serve our Lord and Savior.

G.1.1 About Christian Academy School System

Christian Academy of Louisville (CAL) was founded in 1976 serving 120 students in grades one through six in classrooms located in two church facilities. In 1977, a middle school was added doubling the enrollment to 240 students. In 1978, classes were consolidated at 3110 Rock Creek Drive with an enrollment of 336 students in grades one through nine. In 1982, the first senior class was graduated with 19 students. To accommodate the increasing number of students, the middle school was moved to a separate campus on Sils Avenue in 1994.

In 1998, preschool also became an important part of the Christian Academy educational experience when the first Junior Academy was opened at the Rock Creek Campus. Junior Academies are now established on all Christian Academy campuses.

Continued growth led to the building of the facility on English Station Road, which opened in the fall of 1998. The English Station Campus served students in preschool through twelfth grade while the original Rock Creek Campus continued to serve students in preschool through fifth grade. With the opening of the second campus, the vision for a Christian Academy School System (CASS) started to become a reality. The leaders continued to pray for wisdom as they learned how to operate a school system without compromising core values.

As the English Station and Rock Creek campuses grew, members of the Southwest Louisville Christian community approached Christian Academy leadership requesting the opportunity for families to provide Bible-based education for their children. As a result, the CAL-Southwest Campus opened for the 2000-01 school year serving students in kindergarten through eighth grades on its campus located on St. Andrews Church Road.

The Christian Academy School System crossed the river to Southern Indiana in 2000 when Northside Christian Academy in New Albany joined the Christian Academy family of schools. A few years later, in time for the 2003-04 school year, Graceland Christian School, also in New Albany, joined the Christian Academy system. With the addition of Graceland, Christian Academy established a division for these schools under the name of Christian Academy of Indiana (CAI).

CAI inherited a rich history of Christian school education when the two Indiana schools merged. Prior to joining the Christian Academy School System, Northside had been in existence for six years. Northside Christian Academy was started in 1994 by Northside Christian Church. Graceland Christian School was founded in 1969 by Graceland

Baptist Church. Although both schools were originally established as educational extensions of their founding churches, the combined CAI student body represents families from more than 80 area churches.

By God’s blessing, increased enrollment created the need for additional space and a desire to expand the Christian school community in Southern Indiana. Therefore, Christian Academy of Indiana moved into a new facility in New Albany, Indiana for the 2005-06 school year serving students in kindergarten through twelfth grade.

In fall 2013, the Providence School opened at the Rock Creek campus for children with Down syndrome. The goal of Providence School is to provide as much inclusion for students as possible in typical classrooms while maintaining academic gain for each student. Providence School seeks to celebrate all students for the ways in which God has made them unique and wonderful in His image (Psalm 139:14).

During the first years of the Providence School, students in preschool and early elementary were admitted. As the program grew, the school continued enrolling students into upper elementary at Rock Creek and middle school grades at English Station. Since the fall of 2022, the Providence School serves preschool through High School students at the English Station Campus.

During the 2020-2021 school year the decision was made to consolidate the Rock Creek Campus with the other Christian Academy campuses. All Christian Academy schools celebrated the foundational role that the Rock Creek Campus played in the development of the Christian Academy School System as Rock Creek students and staff joined the other CASS campuses. Rock Creek provided a rich legacy of top quality Christian education that impacted students, families, teachers, and staff for 42 years.

In 2023-2024 the decision was made to consolidate the Southwest Campus with English Station and Christian Academy of Indiana. Current and former staff, faculty, and students honored and celebrated the important impact the Southwest Campus had on the Southwest Louisville and Christian Academy communities for 24 years. From its initial beginnings at South Shively Christian Church to the opening of a new JA-8th grade building on St. Andrews Church road, the caring and nurturing atmosphere provided by the staff was a hallmark of the school, and the hundreds of students who were shown the love of Jesus will undoubtedly have an eternal impact.

Ninety-eight percent of Christian Academy graduates go on to college. Seniors’ performances on college entrance exams are among the best in the Louisville/Southern Indiana area. Recent graduates, including National Merit Finalists, Governor’s Scholars, and students receiving appointments to the service academies, have received millions of dollars in scholarships.

The Christian Academy School System holds a distinctive place among educational institutions in the greater Louisville area by providing high-quality, affordable Christian education for more than 40 years. At the core of Christian Academy schools is a commitment to traditional education in a Christ-centered environment. Significant effort is directed toward reading and writing competency, math proficiency, and other areas of scholastic achievement in the context of a biblical worldview. A full complement and variety of extracurricular and athletic activities are also offered.

G.1.3 Statement of Faith

WE BELIEVE¹:

- The Bible is the only inspired, inerrant Word of God that is sufficient, necessary, authoritative, and clear.²
- In one God, eternally existent in three persons: Father, Son, and Holy Spirit.³
- God, in His sovereignty, offers redemption and restoration to all who confess and repent from their sin, who seek His mercy and grace, and humbly ask for His forgiveness through Jesus Christ.⁴
- Jesus Christ is God Himself, came to earth in the flesh, was born of a virgin, and lived a sinless life. He died a substitutionary and atoning death on the cross. He arose bodily from the grave and ascended into heaven where He sits at the right hand of God, and will return in victory to rule forever.⁵
- The Holy Spirit convicts of sin, regenerates to new life, indwells every Christian, helps in weakness and intercedes on behalf of believers and churches in prayer, and empowers believers to live a fruitful Christian life.⁶
- All people are created in God’s image and being descended from Adam inherited a sinful nature and are totally unable to save themselves from the natural consequences of sin. Every human is a person deserving of compassion, love, kindness, respect, and dignity.⁷
- All people are saved and justified by faith in the shed blood of Jesus Christ and by accepting Him as Lord and Savior are born again by the Holy Spirit and become children of God. There is a spiritual unity of all believers in our Lord Jesus Christ.⁸

The statement of faith does not exhaust the extent of our faith. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of humankind, is the sole and final source of all that we believe. For purposes of doctrine, practice, policy, and discipline, the Superintendent, subject to review by the Board of Directors as appropriate, is the school’s final interpretive authority on the Bible’s meaning and application.

G.1.4 Theological Statements

We believe in order to preserve the function and integrity of the Christian Academy School System’s and its member institutions’ commitment to a traditional education in a Christ-centered environment, to act as a faithful and local component of the Body of Christ, and to provide Biblical instruction and modeling to the System’s students, faculty, staff, families, and the community, it is imperative that all persons employed by Christian Academy School System in any capacity, (including volunteers or independent contractors that would be independently engaging with students) should abide by and agree to our Statement of Faith and to these Theological Statements and conduct themselves accordingly.

Statement on Sanctity of Life

We believe that all human life is sacred beginning at the moment of conception and ending at a person's natural death (Gen. 1:26-27). Accordingly, every unborn child is a living human being, created in the image of God, and must be respected and protected both before and after birth. Direct or indirect volitional taking of any human life by any means and by any individual or entity through abortion or euthanasia constitutes a violation of the sanctity of human life, and is a sin against God and humankind (Ps. 139).

Statement on Unity and Diversity

In Genesis 1:26-27, God created humanity in His own image and gave them dominion over the earth. As image-bearers, each individual's uniqueness and dignity creates a diverse community and a dynamic school.

Christian Academy opposes all forms of racism and prejudice that may cause anyone to feel undervalued and unworthy of human dignity. We pledge to intervene if we see moments in our classrooms, meetings, conferences, discussion boards, or students' work that may threaten and/or harm through stereotyping or silencing fellow image-bearers. Diversity in our student body, families, staff, and community builds a school environment where all are respected, valued, and appreciated.

The Christian Academy beliefs are based on Revelation 7:9 that we are one family in Christ enhanced by embracing the differences God has designed in all of His creation.

Statement on Gender, Marriage, and Sexuality

We believe that God acts to give each person a gender by wonderfully and immutably creating each person as distinctly male or female (Gen. 1:26-27). These two distinct, complementary genders together reflect the image and nature of God. Rejection, whether by personal volition or compulsion, of one's biological gender is a rejection of the image of God within that person and a sin against God.

We believe God has created the marriage covenant to be a life-long commitment between one man and one woman (Gen. 1:27; 2:24). We believe sexuality is a good gift of God, to be celebrated exclusively within the confines of the marriage covenant, agreeing that all other sexual expressions go against God's design (1 Cor. 6:18; Gal. 5:19).

G.1.5 Mission Statement, Vision, Core Values

MISSION STATEMENT

The mission of Christian Academy is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. (Luke 2:52)

As such, Christian Academy considers its employees to be ministers of Christ to the students and families they serve.

VISION

The vision of Christian Academy is to ignite and transform students to impact our communities through world-class, Christ-centered educational experiences.

Vision: To have a vision means to powerfully dream and imagine. At Christian Academy, the vision that has been cast by our Board of Directors and Senior Leadership is based on biblical principles, and is intended to guide our school system for years to come, ensuring focus on Christ-honoring and inspirational goals.

Ignite: We intend for the faith of our students to catch fire, developing a personal and genuine relationship with Jesus, that will continue long after they graduate from Christian Academy.

Transform: We desire for our students to experience dramatic changes during their time at Christian Academy. In addition to physical changes as they grow and mature, their Christ-like character will deepen and become outwardly obvious as spiritual transformation occurs.

World-class: We strive for excellence in everything we do and seek to be the best-of-the-best in all endeavors; not because we want to be held in high esteem, but because God deserves only the best. He is Lord, He is master, and He has created all of us with gifts and abilities. We are committed to unleashing each person's gifts and abilities, and striving for high performance in all endeavors, for His glory.

Christ-centered: Being Christ-centered means we are focused on Jesus...His desires, His goals, the lifestyle He led, and the examples He set of how to love God and each other.

Educational experiences: We believe that teaching occurs in the classroom through instruction, and also through co-curricular and extra-curricular activities, and by engaging in service and missions opportunities. We desire for our students to learn rigorous curriculum that will challenge them academically, but equally important, we desire for them to develop their individual areas of passion and hearts for God.

Impact: Impact is about people, not programs. By seeking out, listening to and responding to needs locally and around the globe, we are the hands and feet of Christ.

Communities: We view community not as geographical locations, but people bonding together, supporting, encouraging and loving one another. We are all members of the body of Christ, and seek to bless others, and be blessed, through camaraderie and serving locally and around the globe.

CORE VALUES

Christ-centered – We proclaim the Lordship of Jesus Christ in all of life (Rom. 14:8-9).

Humility – We acknowledge our gifts and talents come from God and should be used for His glory (Rom. 12:6-8; Phil. 2:3).

Respect – We love our neighbors as ourselves (Matt. 22:37-39).

Integrity – We strive to be testimonies of the character and peace of God in every thought and action (Prov. 10:9; I Pet. 3:15-16).

Service – We consider our works of service an expression of our faith (Rom. 12:1).

Truth – We affirm the Bible as God's infallible, trustworthy Word, which defines absolute truth (2 Tim. 3:16-17).

G.1.6 Philosophy of Christian Education

The educational philosophy of the Christian Academy School System is based on a Biblical view of God, man, truth, and education. Since God created and maintains all things through His Son, Jesus Christ, the universe and all life are dynamically related to God and have the purpose of glorifying Him. This is especially true of human beings who were created in God's image, different in kind from all other creation, with the unique capacity to know and respond to God personally and voluntarily. Because we are sinners by nature and choice, however, we cannot, in this condition, know or honor God in our life. We can do this only by being born again through receiving Jesus Christ as Savior and Lord and thus be enabled to do God's will, which is the ultimate purpose in life.

As such, *Our Deep Hope* is that every student who walks through our doors will develop a heart for God and grow like Jesus did in wisdom, stature, and in favor with God and men.

Wisdom is knowledge applied through God's Word.

Our students will grow in wisdom by...

- Displaying authentic personal transformation through knowledge, understanding, and application of God's Word;
- By discerning, interpreting, and defending biblical truth;
- And by engaging the global community from a biblical worldview.

Stature is maturity consistent with God's Word.

Our students will grow in stature by...

- Developing and maintaining an understanding of their identity in Christ, as one created in the image of God;
- By expressing and navigating emotions in a God-honoring way, guided by Truth;
- And by stewarding and nurturing their body as a gift used for God's glory.

Favor with God is grace, embracing a relationship with Jesus, God's Living Word.

Our students will grow in favor with God by....

- Knowing and accepting the one true God as defined in scripture: Father, Son, and Holy Spirit;
- By repenting and believing in Jesus Christ as personal Savior;
- And by growing in love and obedience to God's Word.

Favor with Men in relationships and service transformed by God's Word.

Our students will grow in favor with others by...

- Developing and growing in relationships with kindness and respect for all people;
- By displaying a heart of empathy through impactful service, while loving and engaging in community;
- And by articulating the gospel through a personal story for the glory of God's kingdom.

Our Deep Hope is cultivated in students' lives when teachers and employees embrace and grow in their personal love of God, love of students, and love of subject.

Revised and Board Approved 6/2022

G.1.7 Biblical Worldview

The mission of Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. To this end, students at every level are taught from a biblical worldview. A worldview is the framework from which each person views life. It represents their most fundamental beliefs and assumptions about the world in which they live.

As students develop a biblical worldview they will accept that scripture is the final authority concerning God's character, God's creation, God's truth, God's love and God's design. This biblical worldview is developed through the knowledge of Bible truths, application of scripture and the leading of the Holy Spirit. The goal of Christian Academy is to lead students to commit to biblical principles and truth as the structure for all that is taught: physically, mentally, socially, emotionally, and spiritually.

G.1.8 School/Parent Partnership

Christian Academy values its partnership with Christian families in providing and promoting a biblical worldview in all aspects of life. Acknowledging that the parents and family are the primary educators of their children, a school/parent partnership has been developed to formally identify biblical truths, actions, and attitudes necessary for a biblical worldview. The school will work to teach and model these truths, actions, and attitudes and come alongside families in helping children build a biblical worldview. The written school/parent partnership agreement is available through the admissions or school offices. It is required for student admission and when the student changes school levels.

G.1.9 Accreditation

Accreditation is the recognition of schools for achieving and maintaining educational excellence and integrity. The designation of "accredited" is awarded by regional and national organizations that set standards for educational and operational performance and then monitor schools' compliance with those standards. The notation of accreditation on a student's transcript adds to the perception of its validity and credibility when reviewed by a school or college admissions administrator.

All Christian Academy K-12 schools are accredited by Cognia (formerly AdvancED), the parent organization of the North Central Association (NCA) and Southern Association of Colleges and Schools (SACS). Cognia is the major accrediting agency in the middle and southern U.S. and is a sister organization of other regional accrediting agencies across the country. Most public and non-Christian private schools pursue accreditation through Cognia.

In addition, all Christian Academy PreK-12 schools hold the distinction of Exemplary Accreditation with the Association of Christian Schools International (ACSI). In 2015, CASS schools were among the first in the country to host a review conducted by the ACSI National Accreditation Commission. The exemplary criteria are for those schools which have reached an influential level of distinguished organization, achievement and operations. CASS received ACSI Exemplary Accreditation renewal for K-12 in 2021 and for Jr. Academy in 2023.

ACSI accreditation further enhances the value of a Christian Academy education. Other Christian schools and colleges recognize it as validation of achieving the high standards required to attain it.

All schools meet the standards of the states in which they reside. CAI is accredited by the State of Indiana and Kentucky schools are certified by the Commonwealth of Kentucky. Kentucky does not accredit schools independently, but certifies schools that are accredited by recognized agencies including ACSI, Cognia (AdvancED/SACS), or the Kentucky Nonpublic Schools Commission.

All schools in the Christian Academy School System are accredited, certified and/or licensed by the following organizations:

Kentucky

- Association of Christian Schools International (PreK-12)
- Cognia (AdvancED/Southern Association of Colleges and schools) (K-12)
- Kentucky Non-Public School Commission
- Commonwealth of Kentucky

Indiana

- Association of Christian Schools International (PreK-12)
- Cognia (AdvancED/North Central Association) (K-12)
- State of Indiana

G.1.10 Board of Directors

A Board of Directors governs Christian Academy. Board members serve a minimum of three years with new members elected each spring. The primary function of the board is to set school policy. The Board of Directors reviews, analyzes and revises policy where necessary.

The Board oversees the Superintendent who effectively implements the procedures that carry out the policies set by the Board of Directors. The Superintendent is responsible for carrying out the mission of the school system and overseeing the academic, operational, and spiritual functions of the school system.

Members of the Board for the 2024-2025 school year are listed below.

G.2.0 GENERAL POLICIES AND PROCEDURES

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.

Colossians 3:17

G.2.1 Admission

Subject to the faith-based standards and beliefs stated in the Christian Academy policies and procedures, Christian Academy School System admits students of any race, gender, color, nationality or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, gender, color, nationality or ethnic origin in administration of its educational policies, admissions policies, tuition grant program, athletic and other school-administered programs.

Christian Academy was established on the biblical principle that God gives parents the primary responsibility for educating their children. The school enters into a partnership with parents and Christian educators to teach academics in the context of a Christian worldview. Christian Academy's policy is to offer enrollment to students of Christian parents who desire a Bible-based education with academic excellence for their children. The Christian Academy staff partners with families who also teach their children what it means to live a Christian life regarding personal and family relationships. (See Section G.1.3 and G.1.4)

Notwithstanding anything else in this handbook, Christian Academy reserves the right to select students and families on the basis of academic performance, Christian commitment, lifestyle choices and personal qualifications including a willingness to cooperate with our administration and policies. Therefore, Christian Academy reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue the enrollment of a student on the basis of, but not necessarily limited to, the inability to support the moral principles of the school and/or the inability to live a life consistent with the Christian Academy statement of faith, mission, values, philosophies and goals, and any related policies and procedures. (See Section G.1.3 and G.1.4)

G.2.2 Carpool Information

As parents update information in FACTS Family Portal, there is an option to share contact information with other Christian Academy families interested in carpooling. On the Custodial Parent Demographic form, mark "yes" when asked if you would like to share contact information. This will give school offices permission to share your contact information with others wishing to carpool. This option is for families of K-12 students ONLY. Jr. Academy students are not eligible to carpool.

G.2.3 Fundraising

The costs involved in operating Christian Academy School System significantly exceed the amount that is charged in tuition and fees. Therefore, we ask that the school community support the ministry of the school above and beyond tuition and fees, as they are led by God to do so. Christian Academy School System's ALL IN Campaign is designed to bridge the gap between tuition and operating costs by supporting the Annual Fund. This is achieved each year through voluntary tax-deductible gifts from parents, grandparents, staff, alumni and the community. Through these gifts, we are able to provide students with an academically advanced Christ-centered education.

The Christian Academy Gala is the main fundraising event for the school system and proceeds go to support the Annual Fund to benefit each campus. Everyone is invited to be part of this event. There are other campus specific fundraising events throughout the year led by the Development Office, the athletic departments, and the PTO for each campus. There are other opportunities to give back to the school through in-kind donations, volunteer opportunities, fundraising events or planned giving to assist in meeting needs in the future.

Approval from the Director of Development must be obtained for all school-related fundraising projects prior to any sales or activities being conducted. All fundraising inquiries should be directed to the Director of Philanthropy and Communication at (502) 244-3225.

G.2.5 Instructional and Library Resources

Christian Academy School System provides a wide range of instructional materials to support and enrich the curriculum and resources to enhance spiritual development, personal interests and recreational reading. Materials selected shall cover appropriate levels of difficulty, promote a diversity of appeal and present various points of view.

All materials selected are to support and enhance the philosophy and mission statement of Christian Academy and should in no way undermine these basic principles. In accordance with this policy, items that objectively present varying viewpoints on controversial topics or that include questionable words for emphasis may be considered for purchase if they have been determined useful for instruction and for teaching a biblical worldview.

Literature materials are selected according to certain criteria. Reputable, professionally prepared selection guides are consulted, as are bibliographies and professional recommendations.

G.2.6 Marketing, Public Relations, Branding and Logo Usage

The Director of Philanthropy and Communication provides oversight to all Christian Academy School System branding, logo usage, marketing, communications and public relations efforts, and is the official media contact for Christian Academy. All media inquiries should be directed to the Director of Philanthropy and Communication at (502) 244-3225. In order to maintain consistency and to ensure the communication of accurate information, parents, students, faculty, staff and coaches are not authorized to issue press releases or otherwise communicate for or on behalf of the schools or any school program, team or group unless specifically authorized to do so by the Superintendent or Director of Marketing.

Permission to use a student's photo or image for publication, video and other marketing purposes by authorized Christian Academy personnel is granted by signing this handbook's agreement unless the Director of Philanthropy and Communication for Christian Academy School System is notified in writing that permission is denied by the student's parent or guardian.

Permission to use the Christian Academy School System logo, or any other logo associated with the school system for an individual campus, athletics, fine arts, Jr. Academy, or any other area must be obtained by submitting a Brand Request Form on www.caschools.us/brandconnection, and following the process set forth to accurately display and represent the Christian Academy School System with excellence.

Christian Academy encourages communication among its families. However, use of the Christian Academy of Louisville, Christian Academy of Indiana and Christian Academy School System name and logos without written permission is prohibited in the creation and promotion of new social media groups or websites (for example, creating

a *Christian Academy of Louisville xxx Facebook page*) as this implies approval and support of Christian Academy School System. Approval of spin off groups may be obtained through a written request to the Director of Philanthropy and Communication. Christian Academy School System reserves the right to require discontinuance of any network reflecting Christian Academy if, in the opinion of Christian Academy, the network is not consistent with the philosophy and standards of Christian Academy.

G.2.7 Miscellaneous Expenses/Fees

In addition to tuition there are other fees for various services or activities during the course of the school year. These may include food service, intramural sports, performing arts participation, elective class fees (Advanced Placement classes), school picture packages, yearbooks, class functions, athletic events, music programs, plays, etc. Most of these services or activities are optional. The school makes every effort to keep these expenses to a minimum.

G.2.8 Parent-Teacher Groups

The purpose of parent-teacher organizations is to assist in coordinating volunteers that will serve both the classroom students and the teachers and to assist in raising funds that will directly benefit and enhance the learning experience for students. The mission of these support groups is to promote Christian education and to create a greater fellowship among all parents, teachers, staff, and student body. They are a valuable asset to Christian Academy schools.

G.2.9 Reporting and Investigating Suspected Child Abuse

Christian Academy schools comply with all state laws and regulations in reporting and investigating cases of suspected abuse. Policy details are available to families upon request. Allow three business days for processing.

G.2.10 Responsibility for Debts

All families are expected to meet all financial responsibilities promptly. This includes tuition and bus fees, library fines, overdrawn lunch accounts, and other obligations. Records will not be released until all debts are paid.

G.2.11 Safe School Commitment

Christian Academy School System is committed to establishing and maintaining a safe learning environment for each of its campuses. Therefore, Christian Academy School System reserves the right to routinely inspect and specifically search school buildings and grounds and lockers, as well as anything brought onto school property or school facilities in accordance with the laws of each state.

G.2.12 School Facilities Notices

Integrated Pest Management Program

Christian Academy School System provides a safe and sanitary school environment. One way that is accomplished is through an Integrated Pest Management (IPM) program to prevent pest infestations. Inspections are conducted monthly. Should any remedial action be necessary, every effort is made to do so when students and staff are not present. Should that be unavoidable, 24-hour notice will be given prior to any IPM applications on school property and all appropriate precautions will be taken according to safety guidelines and standards. When requested, this information is available to all parents and school employees.

G.2.13 Security

Christian Academy School System is fully committed to providing a safe and secure learning and working environment for all stakeholders, including students, employees, and visitors. Each school has fully developed and

routinely practiced security protocols which have been reviewed and endorsed by local and state law enforcement agencies. See Section G.2.18 for security measures regarding visitors to campuses.

Access to school buildings will be denied during security drills. On some campuses, traffic will be stopped during drills until students have re-entered the building.

G.2.14 Security Tip Line

Christian Academy School System has a security tip line: (502) 400-8525.

The following is the voicemail message callers will receive: "You have reached the Christian Academy confidential security tip line. If this is an emergency, please hang up and dial 911. This line is not intended for day-to-day discipline issues. For all discipline-related concerns, please contact your child's school. If you have information related to a potential threat to Christian Academy people or property, please leave your name, number and message. Having your name and number helps school officials follow-up in the event more information is needed. All messages are sent to our Director of Security for review. Your information will be held in strict confidence."

G.2.15 Traffic Safety

It is imperative that all drivers travel in a slow and controlled manner while on campus. Please observe speed limit signs, stop at all crosswalks, refrain from all forms of distracted driving, and be vigilant in watching for children. Do not pass school buses with stop signs extended. Do not park in fire lanes. Vehicles parked in fire lanes may be cited by LMPD/NAPD and/or the State Fire Marshal (or his designate). At the English Station campus, please observe the proper traffic pattern for the roundabout. The safety of our students is a great concern.

All students are to be dropped off and picked up only at locations designated for each school level on each campus. Refer to the school-specific section of this handbook for details. Please observe all traffic and parking instructions and zones on campuses, and use marked crosswalks when crossing the flow of traffic. During carpool hours, cars should not be parked or abandoned in the drive lanes for any reason, especially at school entrances.

G.2.16 Tuition Assistance

The goal of the Tuition Assistance Program is to provide financial assistance to help Junior Academy – 12th grade families with tuition payments. The assistance, intended as a supplement to a family's resources, is not restricted to only families whose ability to pay tuition is limited; it is also available to those families who may only need small awards or who have multiple children.

Each award is made for one year only. Families must apply each year because eligibility may change. Awards are based on the availability of tuition assistance funds.

Applications for tuition assistance are accepted beginning in January of the school year preceding the award. For additional information regarding tuition assistance, please see the website, www.caschools.us.

G.2.17 Tuition Policy

Tuition and other fees are necessary in order for Christian Academy to fulfill its mission. Families are asked to meet financial obligations in accordance with the standards of biblical stewardship.

Christian Academy Schools observe the following tuition policy for families with students in Junior Academy through Grade 12:

- The application fee which covers processing is non-refundable.
- The continuous enrollment fee for new students, which is collected to confirm your child's placement, is non-refundable.

- The annual continuous enrollment fee for returning students is non-refundable unless for any reason Christian Academy does not re-admit the student. If parents withdraw their student's enrollment for any reason, the fee is non-refundable.
- **Please review the policies regarding withdrawals on the applicable Schedule of Tuition and Fees.** The schedule is posted on the Admissions page of the website at www.caschools.us.
- Student records will not be released and no credit for a student's work can be earned unless all financial obligations are met.
- Tuition that becomes past due will subject a student to being withheld from attending school until such amounts due to Christian Academy are made current (see Schedule of Tuition and Fees).
- All tuition payments are collected by FACTS Tuition Management (FACTS Tuition).

G.2.18 Visitors

Visitors must park and enter through the clearly-designated visitor's entrance of the school. All other doors are locked and no admittance will be allowed. Please do not buzz or knock for entrance at other doors.

All visitors attempting to gain access to the building for the first time must present valid government-issued identification. This includes a driver's license, a state ID card, US Passport, US Military ID or a permanent resident card. Visitors refusing to produce such ID will be asked to leave the campus, as their identity cannot be verified.

Qualified visitors will receive an ID badge that they must wear while on campus. They must also sign out, return the badge, and leave campus through the designated entry door.

In order not to disturb classroom instruction, all parents and visitors must also check in with the school reception before proceeding to a classroom for a scheduled event.

G.2.19 Website

The official website of Christian Academy is located at <http://www.caschools.us>.

Permission to use a student's photo or image for publication, video and other marketing purposes by authorized Christian Academy personnel is granted by signing this handbook's agreement unless the Director of Philanthropy and Communication for Christian Academy School System is notified in writing that permission is denied by the student's parent or guardian.

SECTION II

ENGLISH STATION HIGH SCHOOL

Policies and Procedures

H.1.0 ACADEMIC POLICIES AND PROCEDURES

For this reason, since the day we heard about you, we have not stopped praying for you and asking God to fill you with the knowledge of his will through all spiritual wisdom and understanding. And we pray this in order that you may live a life worthy of the Lord and may please him in every way: bearing fruit in every good work, growing in the knowledge of God, being strengthened with all power according to his glorious might so that you may have great endurance and patience, and joyfully giving thanks to the Father, who has qualified you to share in the inheritance of the saints in the kingdom of light.

Colossians 1:9-10 NIV

H.1.1 Advanced Placement Courses

At Christian Academy of Louisville, the aim of Advanced Placement courses is to provide challenging academic, college-level classes for juniors and seniors. The Advanced Placement Test is an important part of each class because it allows capable students to gain college credit and is a motivating factor for all students.

Students who apply for admission to an AP class will be evaluated on the basis of academic performance, motivation, and commitment. All students enrolled in an AP class are required to take the AP exam at the end of the course. The AP testing fee will be collected in August/September and will be billed through FACTS. AP courses carry additional grade points (See Section H.1.10 or Course Description Catalog).

H.1.2 Academic Probation

At-Risk for Probation

At the close of the semester, each student's academic record is carefully reviewed. If the semester grade point average (GPA) is between a 1.5 and 2.0, the student is identified as being "At Risk" academically. Parents will be notified and counselors will work with students to develop a plan for success.

Probation

A student whose semester grade point average (GPS) falls below 1.5 will be placed on academic probation for the following semester. If the student's GPA is raised to above 1.5 by the end of the following semester, the student will be removed from probation at the time. If the student's GPA remains below 1.5, a committee of administrators and faculty will decide whether or not the student shall continue to be enrolled at CAL.

H.1.3 Academic Recognition

Christian Academy recognizes two levels of Honor Roll:

<u>Principal's Honor Roll</u>	Students who receive a 4.0 weighted GPA or above and the grade of "A" in all courses
<u>Honor Roll</u>	Students who receive a 3.5 weighted GPA or above and a grade of either "A" or "B" in all courses

H.1.4 Academic Support

Consistent with our mission to develop every student with a heart for God, we also focus on individual success of our students in the classroom. Academic success is defined differently for every student, so we seek to provide a learning environment that enables our students to achieve their educational goals. Each campus promotes the success of all students by providing services for students who need additional support with academics in the classroom.

Educational Resource teachers follow a Response to Intervention 3 Tier Process for the identification, implementation and monitoring of interventions in order to help each student achieve success. CASS provides Tier 1 and 2 support of classroom observations and strategies, support and training to teachers, and monitoring of data to make informed decisions at no additional cost to families.

For students that need additional support, there are Tier 3 intensive interventions and specialized programs that are available for an additional cost. A plan of accommodations/modifications may be developed for students who have current educational testing and who participate in specialized programming. CASS supports research-based programs tailored to meet individual student needs. Options include CASS specialized programs as well as outside resources. Students participating in specialized CASS programming may also require outside resources such as tutoring, therapy, counseling, etc.

H.1.5 Response to Intervention

There are a series of steps that are taken when a concern arises within the classroom. Educational Resource Teachers provide support in 3 Tiers as outlined below.

- TIER 1: Screen students as needed, conduct general education progress monitoring, provide classroom observations on students of concern and support/train teachers on effective classroom strategies (There is no additional cost involved with this service).
- TIER 2: Monitor at-risk students to evaluate the effectiveness of instructional changes, collaborate with classroom teachers, collect and track educational data, and consistently communicate with parents (There is no additional cost involved with this service).
- TIER 3: Write individualized annual goals, conduct progress monitoring, and document the effectiveness of interventions for those who need intensive instructional services. Students who receive Tier 3 services have been through the Psycho-Educational Testing process. (An additional cost is involved with this service).

H.1.6 Tier 3 Services

- **Discovery Program**

In spite of their average to superior intelligence, students with learning differences have areas of difficulty that significantly impact their ability to learn. Through the Discovery Program students receive one-on-one educational therapy designed to address their areas of perceptual weakness and to develop efficient, accurate thinking. The goal of educational therapy is to equip students to be independent learners in the classroom and in all aspects of life.

The Discovery Program is affiliated with the National Institute for Learning Development (NILD). The program was first implemented by Christian school educators at Norfolk Christian School and is now being used in over 500 schools in the United States and in foreign countries. We are pleased to be among this growing group of special educators by offering this optional assistance to qualified elementary, middle and high school students. Testing on campus is available through contracted diagnosticians to determine eligibility. The Discovery program has several options to meet student needs. They include RX Reading/Math for Discovery, RX for Writing, Discovery one on one, and Group Educational Therapy (G.E.T). There is an additional fee for this program.

- **Learning Lab**

In Learning Lab, students receive instruction 2-3 days per week in accordance with the school schedule. Offered by invitation only, these classes are provided in a small group setting. Eligibility is determined by a committee review of a student's educational testing results. In Learning Lab students get help on difficult academic assignments, grow personally by gaining an understanding of their learning style, learn specific study strategies, and learn self-advocacy skills. Organization and study skills are reinforced. Learning Lab is taught by a teacher who specializes in teaching students who learn differently. Collaboration with classroom teachers is a strong focus. There is an additional fee for this program.

- **Directed Study Hall**

Directed Study Hall is an option in the High School that provides accountability for work completion by providing a structured study and homework time during the school day. The Directed Study Hall instructor collaborates with classroom teachers, advocates for students, and incorporates study skill tips and strategies into lessons. Eligibility for this program is by recommendation and is based on the needs indicated through educational testing. There is an additional fee for this program.

- **Speech Therapy/ Occupational Therapy**

Speech and Occupational therapy services are available through a private provider. Arrangements for these services and payment are handled between the agency providing services and the family. Christian Academy will provide a space for therapy sessions when available.

H.1.7 Add/Drop Class Procedures

A student may add and drop classes provided there is an opening in the class the student wishes to enter. Requests for schedule changes should be directed to the counselor. Note the potential penalty involved in dropping classes:

1st week of the first semester – May add or drop with no penalty. Any fees paid will be refunded.

2nd – 9th weeks of the first semester – Students may be withdrawn passing (WP) or withdrawn failing (WF). Students may or may not be allowed to add a course at this time. This does not affect students' GPA's. Any fees paid will NOT be refunded.

After 9th week of the semester – Students may be withdrawn with special permission from the principal.

H.1.8 Community Service Hours

Students are required to complete 15 hours of community service for each year in attendance at CAL High School. Students must not receive payment for this work, and work may not be done for direct family members. In some situations, students may volunteer at a family member's business when serving in the community. Check with your counselor for approval prior to serving the hours. Half of the hours may be served in a Christian setting (service to the saved) and half must be served in a community setting (service to the unsaved). Service hours must be properly documented and submitted to the office. A maximum of 8 hours may be served in one day. Prior to a mission trip, the mission coordinator will determine how many services hours will be awarded. Hours should be submitted within a year of completion to receive credit. Credit for hours begins the day after completion of 8th grade. No credit will be granted for time worked during school hours. Hours from other schools will be documented for recognition purposes but will not be counted towards CAL requirements. The Class of 2024 is required to have 45 hours; all other classes remain 60 hours.

H.1.9 Dual Enrollment Courses

CAL offers dual enrollment for some courses. There may be additional requirements per course. This is a great opportunity to earn college credit during high school.

H.1.10 Grade Reporting Schedule and Grading Scale

High school students are given grades for academic achievement every semester in each subject. Report cards are emailed after each semester. At the end of the school year report cards are emailed when all obligations have been met.

Grades are displayed to the .01 of a point and not rounded up to the next number.

Grades in all subjects are letter grades based on the following scale and GPA points are assigned in the following manner:

High School Grading Scale

H.1.11 Homework

1. Students should expect regular homework assignments. Homework is assigned for the following reasons:
 - To increase self-reliance and self-discipline;
 - To reinforce and extend classroom learning;
 - To provide practice in skills and problem solving;
 - To provide opportunities for special projects, such as book reports, compositions and special research projects.
2. Teachers **reduce** the amount of homework or give students time in class to complete assignments on Wednesday night because of church services that many students attend. However, assignments made prior to Wednesday, which are due on Thursday, may require some preparation on Wednesday night.
3. Assignments are to be completed on time and composed properly. Good grammar, neatness, and correct spelling are expected on all assignments. Sloppiness, carelessness and thoughtless content will not be allowed. Such work may be returned to the student for revision.
4. Homework should be individual work, not to be shared, unless so specified by the teacher. Sharing homework is considered cheating, and is considered a major violation of the disciplinary code.

5. Students should use Internet resources appropriately. Information copied directly from Internet sites will be considered cheating (please read Section H.1.9 carefully). Sharing homework is considered cheating, and is considered a major violation of the disciplinary code.
6. The time required for homework will vary with the pace of the individual student and his/her course load. The amount of work required for advanced placement and honors-level courses is greater. **Suggested amount of homework per night: 1-2 hours.**
7. Students failing to complete daily homework assignments in the time allotted by the teacher will receive a grade reflecting a penalty. Each teacher's policy will be explained in the course syllabus given to students at the beginning of the course. The late work policy is determined by individual departments; please see the syllabus.

H.1.12 Academic Integrity

Artificial Intelligence (AI)

Teachers have autonomy in their classroom to incorporate or limit the use of AI to suit the learning needs of students. Teachers will set clear expectations and guidelines for the use of AI in the classroom. If the teacher allows the use of AI, students must cite the AI tool used and explain how it assisted them. Students must understand that the unsanctioned use of AI in their assignments or submissions will be regarded as a violation of academic integrity, classified as cheating, and a major violation of the discipline code.

Plagiarism

Plagiarism is using someone else's words or ideas, including those generated by AI, in your writing without proper acknowledgement and documentation. The use of online translators to complete work assignments for language classes would also be considered a violation. (International students will be given appropriate guidelines.) *Plagiarism, which is a synonym for piracy, is cheating and a major violation of the discipline code.*

Examples:

- Copying or sharing answers on ANY assignment, test, quiz, exam, etc.;
- Having another person write a paper for you and turning it in as your work;
- Turning in or copying another student's work as your own;
- Starting with someone else's work and modifying words or phrases to avoid citation;
- Copying a paper from a source without proper acknowledgement;
- Copying materials, words, or ideas from a source, supplying the proper acknowledgement, but not using quotation marks;
- Paraphrasing materials, words, or ideas from a source without using proper documentation;
- Using an AI tool without proper citation when such use is allowed;
- Buying a paper from a research service or term paper mill;
- Turning in a paper from a "free" or paid term paper website.
- Inappropriate use of an online translator for foreign language classes.
- Copying or purchasing a piece of writing and running it through a program which rewords it to avoid detection.

How to avoid plagiarism in your writing:

- Document all direct quotations. Make sure that you have copied each quotation word for word and that the punctuation is the same as the original.
- Document information you've paraphrased or summarized. This includes all ideas and expressions that you adapted from your sources.
- Follow documentation style (MLA, APA, Chicago Manual, etc.) required by the course instructor.
- When using AI tools as permitted by your teacher, cite the AI tool and describe its contribution to your work.
- Consider Biblical instruction: "Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth" (2 Timothy 2:15, New International Version).

NOTE: Sources include periodicals (magazines, journals, newspapers), internet sites, databases, CD's, digital media (all types), books, brochures, letters, television programs, films, artwork, musical compositions, speeches, charts, maps, organizations, individuals, and any additional printed or unprinted forms of communication.

The only information not requiring acknowledgment and documentation is common knowledge. Common knowledge is information that can be found in several different sources, usually exists in more than one subject area, and is knowledge that many people possess.

Issues of cheating and plagiarism are taken seriously at Christian Academy. All teachers now have the discretion to run electronically submitted assignments through a plagiarism detection tool or Google's originality reports, to scan papers against major indexes and databases of submitted works.

Any incident on any assignment, test, project, etc. will result in disciplinary action which may include the student serving an in-school suspension. Students will be allowed to resubmit the assignment (or an appropriate alternative). The teacher will grade the assignment and will give the student credit for 60% of the score. Any subsequent incident will be considered a major violation and result in out-of-school suspension. **Note that both taking and giving answers is considered cheating and both will result in disciplinary action.**

H.1.13 Requirements for Graduation

Christian Academy strives to create opportunities for academic excellence while remaining in compliance with the current requirements for state certification. Therefore, requirements for graduation are subject to revision as state expectations change. Currently, students must complete 22 state-accepted credits (24 for College Prep and Honors) including a credit in Bible for each year in attendance at CAL. Students may not have more than one study hall in a semester, except when approved by Educational Resources. Students may not be a teacher's assistant and have a study hall in a semester.

One credit is given to each subject taught five periods in a two week period for the entire year. The following credits are required at CAL for graduation:

Minimum Credits Required for Graduation			
Course	# of Credits	Course	# of Credits
Bible	4	Health	1/2
Electives	3	Math	3*
English	4	Physical Education	1/2
Fine Arts	1	Science	3
		Social Studies	3
ADDITIONAL DIPLOMAS:			
College Preparatory, Honors, School of Biomedical Science, School of the Arts. Programs have additional requirements. (Refer to the <i>Course Description Catalog</i> .)			

***All students will be required to take four years of math.** Each semester grades are given for two grading periods and then for the semester. The semester grade is based on total points for the semester and the semester exam (see Section H.1.14). The grade for each semester stands on its own. If a student passes a semester, 1/2 credit is issued for the semester passed.

If the final grade for a semester is failing, the student is encouraged to earn credit for that semester prior to the beginning of the next school year. **Any semester failed must be repeated in order for the student to make satisfactory progress toward graduation.** Only three semesters or 1 1/2 credits may be made up from schools,

including on-line courses, other than CAL. Unless students have failed the class, they may not take a course from another institution if the same course is offered at CAL.

If a student fails a Bible class for the semester, he/she must retake the course the next school year. If a senior fails Senior Bible, he/she must take a suitable independent study or course online. The course will be chosen by the teacher and the administration. Once this supplemental course is completed satisfactorily, the student will receive a passing grade.

To be promoted to the next grade, a student must earn:

- 4 credits to be a Sophomore;
- 9 credits to be a Junior;
- 14 credits to be a Senior;
- 22 credits to graduate.

SUMMER COURSES All course work must be completed before school starts.

TRANSFER STUDENTS Honors credit will only be given for honors classes offered at CAL. A transfer student must attend CAL for a minimum of two consecutive years to be considered for Valedictorian or Salutatorian.

Diplomas

CAL offers academic programs to prepare students to earn one of five types of diplomas: Standard Diploma, College Prep Diploma, Honors Diploma, Commonwealth Diploma or Fine Arts Diploma. Each of these diplomas will qualify a student to attend college. The counselor advises students in course selection leading to the program most suited for the individual student. To qualify for a Christian Academy diploma, students must complete their senior year at a Christian Academy high school.

- The Standard Diploma provides a basic traditional education for students. Students are not required to take a foreign language to earn this diploma.
- The College Prep Diploma is broader and more intense. Students graduating with this diploma have completed the course work required by major colleges and universities. Students must maintain a GPA of 3.0 to receive this diploma.
- The Honors Diploma provides a challenging course of study for top students including courses that offer the opportunity to earn college credit while at CAL. Students must maintain a GPA of 3.5 to receive this diploma.
- The School of Biomedical Science Diploma is awarded to students who have completed all of the requirements outlined by the School of Biomedical Science.
- The School of Fine Arts Diploma is awarded to students who have completed all of the requirements outlined by the Fine Arts Department.
- The School of Spiritual Formation Diploma is awarded to students who have completed all of the requirements outlined by the School of Spiritual Formation.

Please refer to the *Course Description Catalog* for specific diploma details.

The Valedictorian and Salutatorian are determined by quality points. Quality points are issued for each credit-bearing course according to the High School Grading Scale (See Section H.1.10). No more than eight courses per school year will be calculated for quality points. No quality points are given for Study Hall, Teacher's Aide or summer school.

Baccalaureate/Commencement

Students eligible for graduation must attend Baccalaureate and Commencement practices and ceremonies, and must meet all financial and service hour obligations.

Seniors who fail to meet the requirements for graduation will be permitted to attend all senior activities leading up to graduation, but may not be permitted to take part in Baccalaureate and Commencement. A CAL diploma will be awarded when the requirements are met.

H.1.14 Semester Exams & Projects

Semester exams are administered in the high school to measure the students' retention of the material studied and to give the students experience in taking comprehensive tests. These exams are usually given on the last four days of each semester.

Some courses may require students to complete a project in place of an exam. Projects carry the same weight as exams. Refer to the class syllabus for specific information.

Semester exams will be figured in the semester grade according to the following graduated scale:

Class Year	Percentage of Semester Grade
Freshmen	No more than 10% of semester grade
Sophomores	No more than 15% of semester grade
Juniors	No more than 15% of semester grade
Seniors	No more than 20% of semester grade

Students should be aware that mixed grade-level classes may affect the weight of the exam. Please refer to the class syllabus for the exam weight for a particular class.

Teachers may choose to exempt some students from the exam. To be eligible for consideration of exemption, a student must meet *at least* the following criteria:

- 93% average for the semester prior to the exam (after deductions for all academic penalties);
- No more than 3 absences from the class (including suspensions and trancies) during the semester.

No exceptions will be made to these minimum standards.

Teacher requirements for exemption may be higher than the minimum. Also, teachers may opt to require all students to take the semester exam for a particular course. Teachers will announce the exam policy for each course at the beginning of the year in the course syllabus.

CAL observes special scheduling for exams. Uninterrupted blocks of time are scheduled for exams. Two exams are given daily.

Exams must be rescheduled through the office prior to the exam day. Seniors may reschedule any exam that falls on graduation day at no charge. All other senior finals must be taken as scheduled. Students who reschedule exams for any other reason must have administrative approval and will be charged \$15 for each rescheduled exam.

All students are required to be dressed in uniform for exams and will not be permitted into an exam without meeting the standards of the dress code.

H.1.15 Benchmark Assessments

The high school counselors work with students and families regarding preparation and registration for standardized and pre-college testing. Sophomores and juniors will take the PSAT. Juniors will take an official ACT exam in the spring of their Junior year. Students enrolled in English 1, English 2, Algebra 1, Geometry and Algebra 2 will complete MAP testing three times throughout the year.

H.1.16 Test Rescheduling

Students who have *more than three major tests* (not including quizzes or projects) in one day may reschedule those tests over three. Rescheduling **MUST** be done 24 hours in advance through their counselor who will decide which tests are to be rescheduled based on when teachers assigned the tests.

H.1.17 Textbooks

Tuition includes a rental fee for the use of textbooks. An additional fee or replacement charge will be assessed for damaged or lost books. Textbooks must be returned prior to taking the exam for that course or a non-refundable replacement fee will be billed through FACTS, holding grades and transcripts. Some textbooks have an electronic version that students can access. Teachers will provide instructions to students at the beginning of the year.

Damaged Textbook: If the assigned textbook is damaged in any way (ripped pages, water damage, etc.) when it is returned, the student's FACTS account will be charged the amount of the replacement value of the textbook. Individual replacement orders from Amazon or other textbook companies will not be accepted.

Lost Textbooks: Students are responsible to return the textbook that was assigned to them at the beginning of the school year. If a textbook is lost or a student returns a textbook assigned to someone else, the student will be charged for the amount of the replacement value of the textbook through FACTS, triggering a hold on grades and transcripts. The textbook must be returned by the posted date or a non-refundable fee must be paid to release the hold.

H.2.0 ARRIVAL AND DISMISSAL FOR HIGH SCHOOL STUDENTS

But everything should be done in a fitting and orderly way.
I Corinthians 14:40 NIV

H.2.1 Arrival

Compulsory school hours are 8:20 a.m. – 3:10 p.m. Christian Academy will accept responsibility for students arriving as early as 7:15 a.m. No supervision of students is provided prior to 7:15 a.m. High School students who arrive before 7:30 AM must enter through Elementary carpool. Students who arrive after 8:15 AM need to sign in at the Main Entrance.

Bus Transportation

Christian Academy offers limited bus services to several neighborhoods in our community for an additional cost. Detailed information about bus service can be found on the school website at www.caschools.us. Registration is available in FACTS Family Portal.

Students riding the bus should be aware of departure times from their stop and from school and be sure to be on time. It is recommended that all bus riders be at the designated bus stop 5 minutes before scheduled departure. The bus will not wait.

Buses will depart English Station campus at 3:15 each afternoon. Parents must be at their child's bus stop at the scheduled bus arrival time. If a parent is not at the bus stop at the scheduled time, the bus driver will:

- Notify the Miller Transportation immediately, who will contact the CASS representative;
- Keep student on the bus and continue to drive his/her route;
- Wait at last scheduled stop no more than 10 minutes past the drop-off time;
- Return student back to school property after completing last scheduled stop;
- Notify Miller Transportation of habitually late parents. Miller will contact the CASS representative.

To qualify to walk home from a bus stop without a parent present:

- Elementary students must be accompanied by a high school or middle school sibling and must also have written parental consent on file in the business office;
- Middle school students must have written parental consent on file in the business office;
- High school students may be allowed to be left at stop without parent present.

Bus Rules

Misconduct on the bus creates a safety hazard that will not be tolerated. Students guilty of repeated misbehavior on the bus will be removed from the bus either temporarily or permanently and may be subject to disciplinary action. Of chief concern on the school bus is the safety of each rider. If the driver is being distracted by a discipline problem, the safety of all students may be jeopardized. For this reason, we strongly support the rules presented by our bus service contractor. Read the Miller Transportation bus rules [here](#). Please ensure bus ID tags are **visibly** attached to a purse or backpack.

Any weapon or item that gives the appearance of a weapon is not allowed on the bus or at school. This includes guns, knives, pocket knives, etc.

BUS RIDERS

Students will exit the buses at the elementary circle. High school students departing the buses will enter the building via doors #4/5 and proceed through McKinley Hall to the high school wing of the building.

STUDENT DRIVERS

Student drivers are required to register with the school and purchase a parking permit prior to driving to school. Student drivers are expected to drive slowly and safely at all times. High school students will not be allowed to return to their cars during the day unless special permission is granted through the high school office.

Students who park in the front Student Lots may use the Main Entrance, door #1. Students who park in the overflow parking (near the pond) may enter doors #20/21 (MS/HS Carpool).

Violation notices will be used to mark those illegally parked and a fine will be assessed. (See Parking Violations H.6.27)

CARPOOL

Carpool maps and procedures will be communicated prior to the start of school.

High school students may NOT be dropped off in the front parking lot in the morning or picked up in the front parking lot at the end of the day.

All high school students are required to report to the high school wing of the building upon arrival at school. Any student that arrives after 8:15 must enter through the Main Entrance (door #1) and sign in at the High School office.

STUDENT WALKERS

Students walking to school are to cross all roads at designated areas. After leaving the crossing guard at the corner of English Station Way and English Station Road, students should proceed on the sidewalk to the crosswalk and enter the building through the Main Entrance, door #1.

H.2.2 Dismissal

Students shall remain in their final class until dismissed by their teachers at 3:10 p.m. High school students are allowed to stay in the high school wing of the building until 3:45 p.m. After 3:45 p.m. all parts of the building are off limits unless the student is involved in an activity sponsored by a staff member.

BUS RIDERS

Bus riders will exit the building through doors #15/16 (Red Gym Entrance). Buses will pick up students at the elementary circle. Buses will depart at 3:15 p.m. The bus will not wait for tardy students.

STUDENT DRIVERS

Student drivers and students riding with them will carefully proceed to the student parking space. All elementary students who ride with high school drivers MUST be picked up by the high school driver at the elementary school office. The high school student will sign the elementary student out with his/her name and carpool number. Middle school students who ride with high school drivers will meet the driver at door #1 (Main Entrance). All are encouraged to exercise extreme caution in crossing the driveway and leaving the campus.

CARPOOL

Carpool maps and procedures will be communicated prior to the start of school.

STUDENT WALKERS

Students walking home are to exit through the Main Entrance (Door #1) and proceed to the crosswalk. They should proceed on the sidewalk to the crossing guard at the corner of English Station Way and English Station Road.

H.3.0 ATTENDANCE POLICIES AND PROCEDURES

Whatever you do, work at it with all your heart, as working for the Lord, not for men since you know that you will receive an inheritance from the Lord as a reward.

Colossians 3:23-24 NIV

H.3.1 Parental Responsibilities

Christian Academy of Louisville, in compliance with Kentucky law, expects all students to attend school regularly. Regular and punctual attendance is essential for a student's success. Absences interrupt the smooth and complete process of learning. We urge students to be present every day. Parents should regularly review their child's attendance in FACTS Family Portal.

CAL is required to account for every student every day school is in session. Therefore, if a student will be absent or tardy for any reason, a parent must contact the school by 9:15 a.m. Upon the student's return to school parents are asked to submit any doctor's notes or documentation for school records.

H.3.2 Student Responsibilities

We ask that students make every reasonable effort to be at school promptly every day. When absent, if possible, complete homework and other assignments prior to returning to school. Students are accountable for make-up work missed each day absent.

See each teacher for make-up work assignments upon return to school. Realize that make-up work may not be the same as assignments made to students who were in class. Teachers may alter assignments in an attempt to compensate for the class lecture and discussion that were missed. Students should also be prepared to meet with teachers before and/or after school to give teachers the opportunity to help catch up on missed assignments

H.3.3 Definition of Absence

Absence is defined as missing 30 minutes of class time. Absences due to school-sponsored activities will not be included in the cumulative count. All other absences, including absences for family trips, personal illness, suspensions from school, etc., will be included in the cumulative count. Students who accumulate more than 5 absences in an individual class per semester must provide documentation to the Attendance Appeals Committee (See Section H.3.4).

H.3.4 Attendance Appeal

Proper education relies on continuity of instruction, classroom participation, learning experiences, student-teacher interaction and structured study. Because these factors are so important to successful academic progress, students who accumulate more than 5 absences in a class for a semester may face academic penalties and may fail the class for the semester due to excessive absences. This policy will be applied to each class separately.

Students who exceed the 5-absence limit in any class in a semester are required to file an appeal in order to earn credit in the course(s) missed. Students will be asked to account for the reasons for each absence, providing objective documentation whenever possible. The Attendance Appeals Committee, which is composed of school administrators and teachers, will evaluate the submitted records and determine if an academic penalty will be assessed and what that penalty will be.

The documented reasons for appeal may include but shall not be limited to:

1. Absences due to extended illness and/or hospitalization and can be documented with a certificate of illness issued by a licensed physician.
2. Extended illness or hospitalization of an immediate family member.

3. Death within the immediate family.
4. Legal issues (such as court appearances, depositions, etc.).
5. Natural disasters.
6. Absences related to parental requests not exceeding five (5) days (including church or religious activities, illnesses not verified by a licensed physician, family vacations, etc.).

Procedure for Applying for an Attendance Appeal:

1. The school will notify parents of students who have accumulated more than 5 absences from a class in a semester.
2. Instructions, forms, and the due date for documentation of reasons for absences will be provided to families.
3. The completed application shall be submitted to the high school principal on or prior to the due date. Applications submitted after this date may not be accepted.
4. The Attendance Appeals Committee shall review the student’s documentation, render a decision and notify the student, parents and teacher.

H.3.5 Early Dismissal

When leaving school early, students should check Canvas for missed assignments. It is the student’s responsibility to make up any missed work. Students who expect to leave school early for any reason are to present a note from their parents to the school receptionist or email the school receptionist at hsreception@caschools.us in the morning and no later than 1 p.m. Students will not be dismissed after 2:40 p.m. If no note is presented, parents must physically come into the building to sign their child out.

The note is to include the following information:

- Student’s full name;
- Date and time of departure;
- Means of departure (parent picking up, student driving, etc.);
- Estimated time of return (if returning that day);
- Reason for leaving early;
- Parent signature and phone number.

Telephone calls requesting early dismissals will be accepted ONLY in cases of an emergency and must be followed up with an email. Dismissals for emergencies require the authorization of an administrator.

All students sign out and, if returning, sign back in through the front office. Parents should avoid early departure if at all possible. If the student misses fifteen minutes or more of class for an early dismissal he/she is considered absent. Students are NOT allowed to leave campus for lunch.

Please stagger the time of appointments so the student does not accumulate absences in the same class(es).

H.3.6 Extracurricular Events

Students are required to attend school the day of an extracurricular event in order to attend that event. “Attendance” is defined as attending two of the four class blocks that day unless otherwise pre-approved by an administrator.

Students who are absent from a single semester class ten or more classes, for any reason, may forfeit participation in school-sponsored trips/activities (ie: Senior Lunch, Senior Trip, Music Trip, etc.).

H.3.7 Illness During the Day

Students who become ill or need to take medication kept in the health room must be given a pass by his/her current period teacher and then sign out in the office prior to going to the health room. The nurse will require a teacher note/pass.

All students needing to go home because of illness **must** have been to the health room prior to being dismissed from school. Students with a fever of 100.4 degrees or higher and those remaining in the health room for more than one block will be sent home. If home contact cannot be made, the student will remain at school unless contact can be made with an emergency number that has been provided by the parents, or the illness or injury is serious enough to call an EMS unit.

If the student returns to class after visiting the health room, they must return to the high school office and sign in prior to returning to class.

Students must be fever-free (less than 100.4°, unmedicated) and diarrhea/vomiting-free for 24 hours before returning to school. Unmedicated means that no drugs such as ibuprofen (Motrin, Advil) or acetaminophen (Tylenol) have been given to the student. Students who return to school after having had a documented fever or vomiting/diarrhea in the previous 24 hours or have been ill with the same at home in the previous 24 hours, will be sent home.

Time in the health room is considered absence from class.

Students who miss class time are expected to check Canvas or with the teacher to make up any missing assignments, tests, or quizzes.

Students who have an illness prior to the end of the school day will not be allowed to ride a school bus home.

Over-the-counter medications (such as Ibuprofen, Acetaminophen, Tums, Benadryl, Sudafed and cough drops) will be provided by the school. These medications can be administered by health room staff if parents give permission by completing the Student Medical Information form in FACTS Family Portal.

To administer prescription medication, a Medication Administration Release Form (available on the school website) must be completed, signed by a parent, and brought in with the medicine. All prescription medications must be in the original container with the physician's name, prescription and dosage instructions label intact. Parents are responsible for providing all information needed for proper administration of medications. Christian Academy will not administer medications past their expiration date. Medication improperly labeled will not be administered. In addition, a new form must be completed if there are any changes to the original instructions.

Students who regularly take medication that is given by the nurse may go to the health room during break or lunch by obtaining a pass from his/her next block teacher and then signing out in the office. All prescription and non-prescription medications taken while on campus must be kept in the health room and must be administered by the school nurse. Students may not provide any medication for other students.

Medical Cannabis

No student may possess or use medical cannabis as defined in KRS 218B.010 on school grounds or at school-sponsored off-campus events.

School nurses, school staff members, and parents/guardians are prohibited from possessing and administering medical cannabis on school property, at school-sponsored off-campus events, or in the duties of their employment with the school.

A student may not be under the influence of medical cannabis while on school property or while participating in school-sponsored off-campus events. A student's status as a medical cannabis cardholder or qualified patient as defined in KRS 218B.010 is not an excuse for violations of this policy.

If a student is subject to a school-administered drug test, the student's status as a cardholder or qualified patient may be considered in analyzing the results of the drug test. Nothing in this policy changes school policy regarding non-medical cannabis or any other prohibited substances.

Required Documentation

Updated immunization records, school physical exams, and birth certificates, as required by state law, are required for all students to attend Christian Academy. Christian Academy reserves the right to withhold attendance of any student who fails to comply with these state regulations until the forms are received within a timeline deemed acceptable by administration.

H.3.8 Extended Illness

When a student is absent due to illness or hospitalization for more than five days, the following guidelines should be followed:

- The parents should contact the school as soon as they become aware that the student will be absent for several days. The following information will be requested:
 - Doctor's statement of reason for absence;
 - Location of the student (home, hospital, etc.);
 - Approximate length of absence;
 - School work and materials needed.
- Schoolwork should be picked up and dropped off in the office at the end of each week.
- If the student is to be absent more than ten school days, the school will have the option to release the student to a homebound instructor. In this situation it is the responsibility of the parents to engage a qualified teacher to work with the school and student during the extended illness so that the student may receive credit for work completed.
- Parents should notify the school administrator two days prior to the student's return to class so that the school can make efforts to ease the student's return to school.
- Upon return to school, the following information is required:
 - A signed release from the doctor;
 - An up-to-date evaluation of the student's academic progress from the homebound teacher;
 - A list of medications the student will be taking at school;
 - A written description of permissible and non-permissible behaviors.

H.3.9 Late Arrival to School and Class

It is important for students to always be on time to school and class. Being prompt demonstrates self-discipline, responsibility and maturity. These qualities are not only important for proper academic achievement, but they are essential for the development of good habits, which are characteristic of success and good citizenship in every walk of life.

Any student arriving after the 8:15 a.m. bell must enter the building at the front entrance, sign in at the front desk and report to the secretary in the high school office to sign in and receive an admittance slip. The reason for the late arrival will be recorded. Parents must write notes or send notes from doctors, etc.

No student will be admitted to class without an admission slip if he/she has arrived after the tardy bell. If a student is less than 15 minutes late to class because of an appointment and the student has a doctor's note, they will NOT be marked tardy.

Students attending a partial day and missing any classes are responsible for checking Canvas for any missed assignments and rescheduling missed tests or quizzes with their teachers.

Students arriving at school after 8:20 are tardy and absent from each class missed for more than 15 minutes (See also Section H.3.12 regarding tardy to class).

H.3.10 Make-up Work

CLASSWORK:

When a student misses classes, valuable classroom instruction and discussion that cannot be made up is lost. Therefore, teachers will hold students accountable for adequate make-up work to cover the missed instruction.

- Teachers may expect students to do all the work assigned as well as additional work to compensate for missing class instruction.
- Students are eligible to receive full credit for make-up work. Failure to complete the make-up assignments will be reflected in the student's grade for that block.
- Students are expected to check Canvas for missing assignments before returning to school.
- For each class missed, students will have the number of class meetings missed in which to complete and turn in all make-up work. Students are expected to obtain their make-up work on the first class meeting of each given class upon their return. Consequently, these class meetings will NOT be counted for make-up purposes. (For example, a student who misses Monday will obtain make-up assignments on Wednesday, and these assignments will be due on Friday.)
- **All work, including tests, quizzes and projects, assigned prior to an absence, which is due during the day of class absence, is to be turned in to the teacher or made up immediately upon return to the class. All work assigned prior to an excused absence which is due after the day(s) of class absence is to be turned in to the teacher on the assigned due date.**
- Students with subsequent absences during the five school days following the original absence will meet with teachers to plan a reasonable schedule for completion of the missed work.
- Students missing class due to suspension from school will be expected to do all assignments made to students who are present and adequate make-up work to cover the missed instruction (See Section H.4.5).

H.3.11 Make-up Work Policy for Field Trips

SINGLE-DAY FIELD TRIPS THAT FALL WITHIN THE REGULAR SCHOOL DAY. Any assignments or projects that are due the day of the field trip are due the day the student returns. The student will be expected to take any previously announced tests or quizzes that were given on the day of the field trip.

FIELD TRIPS THAT DO NOT FALL WITHIN THE REGULAR SCHOOL DAY. Any assignments that are assigned while the student is on the field trip will follow the same guidelines as any other absence.

OVERNIGHT FIELD TRIPS. If a field trip encompasses more than one day, students will not be required to take missed tests and quizzes on the day they return. This and any other assigned work will be made up at the rate of days absent plus one day when scheduling make-up tests and quizzes.

H.3.12 Tardiness

Students are expected to arrive in their classrooms prior to the ringing of the tardy bell. (See H.3.9) Those who fail to do so are tardy. This lateness either delays the beginning of class activity or creates an unnecessary interruption in the learning process for all students. It is a matter to be taken seriously. Upon the third tardy and at every third tardy thereafter, a one hour detention will be assigned. Continued late arrivals may result in disciplinary action.

H.3.13 Truancy

Truancy is being absent from class, on or off campus, without the knowledge of parents or the school. Truancy will result in the student receiving a 1% deduction for the semester grade prior to exams, for each class block missed, and may include further disciplinary action.

H.3.14 College Visit Days

Juniors and Seniors may take two college visit days during the school year which will not count toward exam exemptions or attendance appeals. Students will initially be marked absent on the day of the visit. Official documentation of the visit from the college or university must be submitted within one week, at which point, the absence will be removed and coded as a college visit day. *College Visit Days cannot be used on the day of Class Retreats, PSAT, ACT, AP exams, Final Exams, Career Day, or other major school programs/events.*

H.4.0 CONDUCT

Train a child in the way he should go, and when he is old he will not turn from it.
Proverbs 22:6 NIV

H.4.1 Discipline Policy

The Board of Directors and the Administration of Christian Academy believe that the full potential of academic excellence can be accomplished only where faculty leadership is strong, discipline is firm but fair, and moral and spiritual values are emphasized within a loving, caring Christian atmosphere.

Students learn self-discipline through God's principles of human behavior.

1. Order is the organization that provides a good environment for learning.
2. Training is the process of practicing what is right.
3. Correction is the discouragement of wrong behavior.
4. Praise or affirmation is used to encourage students to continue in obedience.

H.4.2 Drug Screening Policy

Christian Academy requires complete abstinence from mood-altering chemicals not prescribed by a physician. (See H.4.6 Minor Violations of the Discipline Policy and H.4.7 Major Violations of the Discipline Policy) See also APPENDIX A: CHRISTIAN ACADEMY RANDOM STUDENT DRUG SCREENING POLICY and APPENDIX B: CHRISTIAN ACADEMY DRUG SCREENING POLICY – QUESTIONS AND ANSWERS.

H.4.3 Classroom Standards

Each student is expected to be on time and properly prepared for class. Teachers will establish the rules for classroom behavior that shall prevail in their classrooms. Students should comply with these expectations, both academically and behaviorally. Respect for all individuals is an expectation at Christian Academy.

Teachers will communicate to students how grades will be determined by providing a syllabus outlining the goals of the course, requirements, texts, materials to be used, and methods of evaluation. Plagiarism and cheating are considered major violations and are explained in detail in section H.1.12.

H.4.4 Discipline Committee

A Discipline Committee made up of faculty and administration is in place for the purpose of dealing with severe discipline problems. The committee tracks the progress of students demonstrating continued disciplinary infractions and makes recommendations to the faculty and parents in regard to guiding students to accept responsibility for behavior. The committee will make recommendations to the Superintendent, if necessary.

H.4.5 Progression of Corrective Measures

1. Discipline Referrals (DR)--Students may receive DRs for a variety of infractions. After applying the steps of the classroom discipline policy, the teacher may issue a DR, and if needed, call the front office and request an administrator.

Administrators may also issue Discipline Referrals. Parents will be notified when their student receives a discipline referral by the referring adult. The accumulation of discipline referrals leads to increasingly severe consequences.

2. Detention--Detention may be held one morning weekly before school, during the school day, one afternoon weekly after school, or on a designated Saturday morning. If serving a morning detention before school, it is suggested that students arrive on campus 15 minutes before the start of detention. Students arriving after the

start time or not arriving in uniform will not be admitted. On Saturdays students may access the building only through the west high school doors, door #30. (Detention Saturdays will be announced.)

Students serving a morning detention before school or afternoon detention after school will be assessed a cost of \$5.00 payable that day. Those who fail to report to the assigned detention will meet with a school administrator and receive additional consequences consistent with progressive discipline.

Misbehavior in detention is a major violation of the discipline code. Students arriving out of dress code, sleeping, or disrupting detention will meet with a school administrator and receive additional consequences consistent with progressive discipline. The student will not receive a refund.

3. Suspension--Two options for serving suspensions may be offered by the principals.

Option I The student may serve in-school suspension – no academic penalty

With this option, the student will spend his/her day(s) of suspension engaged in activities that empower him/her to reflect upon ways to re-establish a partnership with the Mission of the Christian Academy School System.

Regular classroom work missed during suspension must be made up by the student and must meet the standards of the classroom teacher.

Work due during a suspension is due when the student returns to the classroom setting.

Option II The student may serve out-of-school suspension – academic penalty

Students may not be on campus the day of a suspension and may not participate in any extra-curricular activities.

Regular classroom work missed during suspension must be made up by the student and must meet the standards of the classroom teacher.

Work due during a suspension is due when the student returns to school.

There will be a 1% deduction (not to exceed 2% total) for each suspendable offense from the student's semester average in all classes, before exams, in each class for every day of out-of-school suspension served during that grading period.

NOTE: School administrators may limit the options available to the student in accordance with the severity of the offense. Some offenses may warrant an out-of-school suspension.

IMPORTANT: Many colleges ask the school and the applicant whether the applicant has ever been suspended from the school. The CAL staff will answer these questions truthfully and expect students to do the same. The school will report out-of-school suspensions that have resulted from serious honor violations, such as lying, cheating, stealing or other unethical behavior. The school will report all major violations of the discipline code to colleges to which a student has applied, regardless of the time of year in which it occurs, or when the information becomes known to the school administration. The school reserves the right to rescind all letters of recommendation.

H.4.6 Minor Violations of the Discipline Policy

While violations listed below are categorized as "Minor" and "Major," continually making choices counter to the Mission of CASS, indicates an unwillingness to support the CASS School/Parent Partnership Commitment. There is clear mission to achieve lofty purposes for the lives of our students, and emphasis and focus must be placed on successfully executing the mission. Therefore, students who engage in gross misconduct or repeated defiance may not be allowed to continue as a student at CAL High School.

Minor violations may result in one or more of the following actions: reprimands or penalties issued by the classroom teacher in accordance with the established classroom rules, loss of privileges, discipline referral (DR), removal from the classroom, detention, in-school suspension, probation, out of school suspension, or expulsion. Repeat offenders of minor violations will receive progressive discipline issued by an administrator. (Being party to another's activity could be as serious as doing it yourself.)

Minor Violations

Include but are not limited to the following:

1. Repeated violations of the Student ID Badge Policy (See Section H.6.25);
2. Accumulation of more than 3 tardies to any one class;
3. Any display of public affection (students are expected to keep their hands to themselves);
4. Behaving in a disruptive or potentially destructive manner, including running, throwing things, horseplay, or making excessive noise of any kind; and inappropriate behavior during prayer, pledges, and/or chapel;

Disciplinary probation or expulsion may be the ultimate result of deliberate, repeated infractions of minor violations.

H.4.7 Major Violations of the Discipline Policy

While violations listed below are categorized as "Minor" and "Major," continually making choices counter to the Mission of CASS, indicates an unwillingness to support the CASS School/Parent Partnership Commitment. There is clear mission to achieve lofty purposes for the lives of our students, and emphasis and focus must be placed on successfully executing the mission. Therefore, students who engage in gross misconduct or repeated defiance may not be allowed to continue as a student at CAL High School.

Major violations may result in a parent/student conference, suspension, disciplinary probation and/or expulsion from CAL. The Administration, after consulting all parties involved, will determine and administer the appropriate disciplinary action. The consequences are severe because the types of behavior listed here are antagonistic to the basic purposes of the school, hurtful to others, and harmful to the school's reputation and witness to the community. (Being party to another's activity could be as serious as doing it yourself.)

Major Violations

Include but are not limited to the following:

1. Bullying, intimidation, or harassment of any kind;

2. Cheating or plagiarism of any kind;
3. Commission of an illegal act;
4. Committing a serious breach of conduct outside the school which has an adverse effect on the testimony of the school;
5. Disrespect (verbal or nonverbal) to school personnel or to peers;
6. Driving in a reckless or unsafe manner on or near campus;
7. Failing to abide by school guidelines while on school-sponsored trips away from CAL;
8. Failure to attend class (skipping) or being out of class during the class block without a written pass from the teacher (See Section H.3.13);
9. Failure to identify yourself to any school personnel;
10. Fighting, threatening, intimidating, hazing, or causing injury to students and/or school personnel;
11. Inappropriate use of school computers and/or devices;
12. Insubordination, or refusing to obey school personnel;
13. Misbehavior in detention hall or with a substitute teacher;
14. Persistent disregard for school policies/procedures;
15. Photographing or videoing a student or teacher without their consent;
16. Possessing any weapon [guns, knives (including pocket knives), etc.] or any item giving the appearance of a weapon, drugs, alcohol, tobacco, e-cigarettes, or pornography on school property;
17. Pranks and vandalism (See Section H.6.22);
18. Racial slurs or demeaning statements in person or on social media (verbal or nonverbal);
19. Stealing, lying, forgery or gambling;

21. Unacceptable behavior of a sexual nature on or off campus, including sexting;
22. Willful destruction or defacement of school property or property of others.

Drinking alcoholic beverages, using illegal drugs including marijuana, misuse of over-the-counter or prescription medications, use of any tobacco products including smokeless tobacco, snuff, e-cigarettes (vaping), using profanity, disrespecting authority or property, exhibiting improper sexual behavior, and engaging in abusive behavior towards others are all prohibited.

Disregard for these rules will result in disciplinary action, including possible suspension or expulsion from school. This applies to school and also non-school-related social activities where such unacceptable behavior would have an adverse effect on the testimony of the school.

✦ Terroristic threats, even if made in a casual manner, will be taken seriously and may result in strong disciplinary action, including suspension or expulsion from school or possible legal action. ✦

H.4.8 Over-the-Counter and Non-Prescription Drug Policy

The possession, distribution, or use of over-the-counter medications or natural substances (including herbal remedies, caffeine pills, or any other substance that has the potential to alter one's mood or behavior) is not allowed.

All medication, pills, over-the-counter drugs, or anything that resembles the aforementioned must be dispensed through the school nurse's office with written parental permission. Violation of this policy is a major violation of the discipline code.

H.4.9 Sexting

In keeping with Christian Academy's responsibility to provide a safe learning environment for all students, the following policy has been established regarding the issue of "sexting". Sexting is the act of sending, receiving, or forwarding sexually explicit or suggestive messages, photos, or images via cell phone, computer, or other digital device. Students engaged in such activities on or off campus are subject to state laws and school discipline.

Sending, sharing, possessing, or even viewing pictures, text messages, or e-mails that contain a sexual message or image is a violation of this policy. Such a violation will result in school discipline, up to and including expulsion, and the notification of local law enforcement. Students are required to immediately report any incident of sexting to a teacher or school administrator.

H.4.10 Social Media

Social media reaches far beyond the school community; therefore, students must use social sites responsibly and be accountable for their actions. Students must understand that anything posted online is a reflection of not only themselves, but also Christian Academy, and, ultimately, Christ. Below are specific guidelines regarding student use of social media:

- In the online environment, students must follow Christian Academy behavior guidelines and conduct themselves online as in school.
- Use of Christian Academy logos or images on your personal social networking sites is prohibited.
- Christian Academy reserves the right to request school-related images or content posted without permission to be removed from the Internet.
- Cyberbullying is considered an act of harassment. Please reference H.4.12 Positive Student Relationships/No Bullying Allowed from the handbook for more information.
- If a student sees anything of concern on a fellow Christian Academy student's social networking page or account, they should immediately contact a school counselor or principal.
- Similar to comments made in person, Christian Academy will not tolerate disrespectful comments and behavior online, such as:
 - Derogatory language (including any type of racial slur) or remarks that may harm students, faculty, or staff of Christian Academy.
 - Derogatory language (including any type of racial slur) or remarks that may harm representatives of other schools, including comments that may disrespect opponents in athletic competitions.
 - Incriminating photos or statements depicting violence; hazing; sexual harassment; racism; full or partial nudity; inappropriate gestures; vandalism; stalking; underage drinking; selling, possessing, or using controlled substances; or any other inappropriate behaviors.
 - Creating a serious danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person.
 - Indicating knowledge of an unreported school violation—regardless if the violation was unintentional or intentional.

Any violation of the social media guidelines may result in disciplinary action including possible suspension and/or expulsion.

H.4.11 Disciplinary Probation

Students who have demonstrated difficulty complying with the disciplinary code may be placed on disciplinary probation. The placement of a student on disciplinary probation signifies the recognition that this student requires direct attention, supervision, and assistance to maintain patterns of behavior that are conducive to the learning environment of all students.

The Discipline Committee will review the student's progress at the end of the semester. If the student has corrected the previous behavioral problems he/she will be released from probation. If the student fails to demonstrate improved judgment and self-control while on probation he/she may be dismissed from school. If the student has demonstrated improved behavior but has not fully satisfied the committee that the pattern of unsatisfactory behavior has been corrected, he/she may remain on probation for an additional semester or may be dismissed from school. No student may remain on disciplinary probation for more than two semesters unless directly related to the alcohol and drug policy (See Section H.4.2).

Students placed on Disciplinary Probation will engage with the Heart Framework (see below) with a staff member to support their ability to grow as students who honor God, others, and themselves.

The Heart Framework

This framework is a collaboration between the school, the home, and the student when a significant incident or a pattern of behavior/attitude occurs that is detrimental to the growth of the student and/or school. Christian Academy may partner with the student to address such behavior in a restorative way. The student will attend a series of Engagement Meetings with a staff member, during which he/she will discuss the highlighted behaviors one-on-one, outline solutions, and track growth. The purpose of these meetings is not punitive, but restorative. At the conclusion of these meetings, the staff member will report the progress to the administration.

The success of the program depends on the student's willingness to own their behavior and partner with the school toward the goal of honoring God, others, and themselves.

1. **Highlight** the student's behaviors that are detrimental.
2. **Engage** the student in initial correction.
3. **Align** the student's behavior and/or attitude through a series of meetings.
4. **Restore** the realigned student through a Student Restoration Contract.
- OR
5. **Transition** the unaligned student, resulting in their withdrawal or dismissal.

H.4.12 Positive Student Relationships/No Bullying Allowed

He (Jesus) answered, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, "Love your neighbor as yourself." Luke 10:27

In accordance with the mission of Christian Academy, efforts are made to help students develop positive, respectful relationships with others. Appropriate interaction is taught and reinforced so students may learn how to relate to their peers in a constructive manner. Students who fail to be kind and respectful of others will be corrected and may be encouraged to make amends to benefit their own spiritual and relational growth.

Christian Academy will not tolerate verbal, physical or social bullying behaviors in our schools. Any instances of bullying will be addressed immediately and with appropriate consequences.

- **Bullying:** Intentional and repetitive verbal or physical mistreatment in which there is an imbalance of power, often characterized by a desire to demonstrate power over and/or humiliate another.
 - **Direct Bullying:** Overt physical or verbal aggression and/or intimidation such as name-calling, punching, threatening physical violence, slapping, kicking, etc.
 - **Indirect Bullying:** Characterized by the goal of social isolation through gossip, criticism, manipulation, and exclusion, as well as intimidation of those who wish to socialize with the victim.

H.6.0 ADDITIONAL INFORMATION FOR HIGH SCHOOL STUDENTS

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Ephesians 2:10 NIV

H.6.1 Alumni Association

All graduates of Christian Academy are considered members of the alumni association. Alumni can participate with the association in numerous ways. A few examples include attending social events such as homecoming, serving on the Alumni Council, or contributing to the annual fund or alumni scholarships. The alumni association is working to help build a legacy for Christian Academy both within the school and in the community. All alumni inquiries should be directed to Danielle Gleitz at (502) 753-4601 or dgleitz@caschools.us.

H.6.2 Book and Sports Bag Storage

Students are to keep book bags/backpacks in their lockers at all times. No book bags are allowed in the classrooms or anywhere else on campus during the school day. Sports bags must be stored in the locker or the shelves on the 2nd floor of the blue gym. Bags may NEVER be placed in a stairwell. Improperly stored or abandoned bags will be confiscated.

H.6.3 Cafeteria

CAL High School has a closed lunch policy, meaning that all students are to remain on campus for lunch. No permission will be granted for students to leave campus for lunch unless that student's parent physically comes in to sign his/her student out. Students may not order food to be delivered for lunch.

A full-service cafeteria is available for student use. The mission of the cafeteria program is to contribute to the best possible educational environment by providing a healthy nutritionally-balanced meal for each student in an atmosphere that promotes Christian fellowship.

Available Choices: A menu presenting the choices of each day is posted on the website monthly. Students may choose from a variety of entrees each day including a hot meal, homemade soups, salad bar, etc. Fast food may be purchased at an additional cost on Wednesdays and pizza is delivered on most Fridays.

Students have many choices of à la carte items and snacks including but not limited to the following: bottled water, diet soft drinks, ice cream, fresh fruit, chips, fruit drinks, milk, yogurt, granola bars, deli sandwiches, bagels, and muffins. Microwave ovens are available for use by those wishing to bring lunch from home.

Food Allergies: Parents need to inform the cafeteria manager if their child has food allergies. They may do this by completing the Food Allergy Form available on the website. This will ensure that the child receives substitute food items when necessary so reactions from food allergies can be avoided.

Debit Accounts: Each student has an individual debit account established for his/her own personal use. Because of the parameters of the cafeteria computer program, family members cannot share accounts. *Using another student's account for any reason is stealing and is a major violation of the discipline code.*

It is imperative that each student uses the debit account system to purchase lunch. Using this debit system saves students considerable time in paying for food at break or lunch. Parents are asked to deposit funds into their child's account. The student will spend these deposited funds to purchase lunch by swiping their ID badge as they go through the cafeteria line.

Funds may be deposited into the child's account by sending in a check with the child's name and lunch account number on it. Cash deposits are accepted if submitted in an envelope with the child's full name, account number and the amount enclosed written on the outside. Students need to turn in their deposits to the high school office

staff in the morning or to the cafeteria staff at break so funds may be applied to their accounts before lunch. Funds may also be deposited into their account by using the online service My Payments Plus. There is a 4.75% fee to use this service to deposit funds.

High school students are allowed to use cash to buy items in the cafeteria but only one cashier line will be designated for cash. The other cashier lines will work with accounts only. This keeps the lines flowing so the students have enough time to eat lunch.

My Payments Plus: This online service is a free service to help parents track their student's purchases and to keep track of how much money is in their student's account. Parents are required to sign up for this service. To sign up go to www.mypaymentsplus.com and have your child's Student ID available. There is no cost for this service unless you choose to deposit funds online. The email notification of low funds and the purchase history is all free. *This is the only way to keep track of your student's cafeteria account.* If parents have any questions about My Payments Plus, they are encouraged to contact the cafeteria manager.

Parent Notification of Fund Balance: Please sign up for My Payments Plus to receive notification of low funds. If parents have any questions about their child's account or need help signing up for My Payments Plus, they are encouraged to contact the Cafeteria Manager. Notices of negative balances are emailed each week to the primary email on the account.

Charges: Charging is a service designed to temporarily cover the situation of a parent occasionally forgetting to send funds. It is not intended to provide credit service for continuous charging. Charges must be paid back promptly. A fee will be charged for excessive negative balances. Purchases will also be limited to the daily menu meal for excessive negative balances.

After School Sales: The cafeteria is open until 3:30 p.m. Students who ride the school bus may not take food or drinks onto the bus.

Reduced-Cost Lunches: Although CAL does not participate in the Federal Free and Reduced Lunch Program, reduced-cost lunches are available for those who qualify. To apply for reduced-lunch prices, parents must contact the cafeteria manager. If income levels meet the established guidelines, each child in the family will receive a reduction in the price of lunch. All information received is held in strict confidence.

Behavior in the Cafeteria: Proper eating habits and acceptable behavior must be practiced in the cafeteria. Students are expected to stay in the cafeteria until they are dismissed and clean up after themselves. Lunch trays may not be taken out of the cafeteria. To-go trays are available for special situations. Book bags are not allowed inside the kitchen area.

Non-compliance with cafeteria rules may result in cafeteria probation, cleaning duties assigned, or other consequences deemed appropriate by the high school administration and/or cafeteria staff.

Cafeteria probation means that a student is not allowed in the kitchen area but may obtain a menu meal from a cafeteria staff member once lines shorten.

H.6.4 Chapel

Chapel is a time of worship through music and Christian speakers who have been invited to speak to students. Chapel is to be observed in a respectful manner (no talking or studying) and special dress is required. (See Section H.5.1 for requirements.) Chapel is usually held on Thursdays and parents are invited to attend.

H.6.5 Conferences

Conferences between parents, students and members of the school staff are encouraged. All teachers have some unscheduled time every day and will be glad to arrange a conference. Contacts concerning the progress of students usually would be made with teachers first but the designated principal or counselor may be scheduled as well. An

email or call to the school office for an appointment is necessary to avoid conflicts and possible long waits. Special arrangements can be made for conferences during non-school hours.

H.6.6 Counseling

The counselors are specialists who help students and parents with academic, college and career, and personal concerns. Students are welcome to drop in any time during office hours, but it is suggested that an appointment be made if the counselors' services are needed for more than a few minutes. Students must have their teacher's permission to visit a counselor during class time.

H.6.8 Emergency Procedures

Emergency Alert System: Closures due to weather or other emergency situations will be broadcast through the Christian Academy Emergency Alert System. Parents are asked to keep their email address and cell/home phone numbers current in FACTS Family Portal to receive emergency alert information. (Also see G.2.4 Inclement Weather)

Personal: Every student is to have emergency information on file at Christian Academy, making it possible for the school to contact someone in the family or other designated adult at all times. Parents are responsible for making updates in FACTS Family Portal throughout the year if there are any changes.

Fire/Tornado/Disaster/Intruder Drills: Classroom teachers will be sure all students know and understand the procedures for all drills. Procedures are posted in each classroom and drills are conducted on a regular schedule.

Evacuation: An emergency evacuation plan is in place for each Christian Academy school and campus.

H.6.9 Extracurricular Activities

Students are required to attend school the day of an extracurricular event in order to attend that event. "Attendance" is defined as attending two of the four class periods that day unless otherwise pre-approved by an administrator.

Athletics

The athletic program of Christian Academy is an integral and vital part of the total school education program. Its purpose is to make positive contributions to the physical, social, emotional, and spiritual development of the participants, the spectators, the school, and the community.

All students are encouraged to attend athletic events and become active supporters of CAL teams. At the present time, CAL offers opportunities in the following sports:

Fall Sports	Winter Sports	Spring Sports
Cheerleading (girls)	Archery (boys and girls)	Baseball (boys)
Cross Country (boys and girls)	Basketball (boys and girls)	Softball (girls)
Field Hockey (girls)	Bowling (boys and girls)	Lacrosse (boys and girls)
Football (boys)	Cheerleading (girls)	Tennis (boys and girls)
Golf (boys and girls)	Swimming (boys and girls)	Track (boys and girls)
Soccer (boys and girls)	eSports (boys and girls)	Bass Fishing (boys and girls)
Volleyball (girls)		

Students wishing to participate in sports at CAL may pick up an eligibility rules and regulations brochure from the Athletic Director or the high school office. An athletic participation fee is charged for each sport in which the student participates. There may be additional uniform and team fees, the cost of which varies according to the sport.

Athletic teams are allowed to wear team jerseys at school on the teams' senior night and once during post-season play, as requested by the captain and approved by the Principal.

According to KHSAA rules and CAL regulations, student athletes must maintain certain grade requirements. At the end of each week, a school administrator checks grades of athletes and sends a report to the Athletic Director of those students who do not meet the eligibility requirements. The minimum grade point requirement is a cumulative GPA of 2.0 or better without any "F's" in any subject area and is based on a cumulative semester grade.

Any student not fulfilling these academic requirements is INELIGIBLE for ONE WEEK which will run from Saturday (12:01 am) to Saturday (12:01 am). Ineligible students may attend practices. They may attend home games as spectators only and may not attend away games Monday through Thursday. It is expected for these athletes to be home studying. At the next grade check, if the student has improved and met the minimum academic requirements they will be eligible to play in the next game. If not, the student remains ineligible for one more week.

Student Organizations

The following are some of the clubs and organizations active at CAL: National Honor Society, Beta Club, Drama Club, Academic Team, Art Club, Student Council, Spanish Club and Fellowship of Christian Athletes.

In addition, each grade level is an organization that elects officers and plans activities for itself and, in some cases, the entire school.

H.6.10 Fees

Students will be assessed fees for book use and various courses. The majority of fees will be detailed on a high school fee sheet. High school students may also be expected to pay for class dues, field trips, or parking permits.

H.6.11 Field Trips

Field trips are regarded as an extension of the classroom provided the intent is educational and relates to the subject area that the class is studying. Efforts are made to keep the expense of field trips as reasonable as possible and all field trip payments once submitted, are not refundable. All expenses of field trips are the responsibility of those participating. Written parental permission must be received in order for students to participate. (See H.3.10 for make-up work requirements).

- No student is allowed on an off-campus trip without specific written parental permission. Students may not leave a field trip with a parent or another student without written notification.
- Students must be in good academic standing to participate in an optional field trip or a field trip sponsored by a club or organization. Students with excessive absences or missing assignments may be denied the opportunity to attend field trips that are not a part of the student's grade in the class.
- Students MAY NOT ride with other student drivers on any school field trip.
- All students will wear uniforms on field trips unless otherwise informed by the supervising teacher, coach, or administrator.
- Siblings may *not* go on field trips. Sponsors must give their full attention to the care of students.

Field Trip Driver's Guidelines

To insure safety when a parent drives on school-sponsored field trips, the following rules must be observed:

1. Parents must complete a motor vehicle background check and be approved by the Department of Motor Vehicles. Forms are available in each school office.
2. All students are to be buckled in by seat belts.
3. Drivers are expected to follow the route selected by the teacher unless prior approval for a route deviation has been secured.
4. The primary responsibility of the driver is to care for the students in the group assigned to that driver. Unless directed otherwise by the teacher in charge, keep those students with you at all times. Do not leave any location without having accounted for ALL STUDENTS FOR WHOM YOU HAVE RESPONSIBILITY.
5. When students have returned to campus, remain with them until the teacher in charge has arrived and taken full responsibility for the class.
6. Drivers are not to make stops which are not on the agenda for the entire class. (For example, stopping by a fast-food restaurant for a drink before coming back to the campus.) All stops must appear on the Field Trip Request form, which was approved by the designated Principal.
7. Drivers are in authority in their vehicles. Correct any unsatisfactory behavior, including noise or rudeness, and provide the teacher in charge with information regarding any student(s) who fails to respond promptly and politely to correction.

H.6.12 Chromebook Expectations

Use of school-issued Chromebooks is a privilege that carries responsibility and behavioral expectations consistent with all school rules and policies, including but not limited to those stated in the Family Handbook. Students are expected to use Chromebooks in a responsible and ethical manner and obey general school rules concerning behavior and communication that apply to Chromebook use.

1. General Expectations

- The Chromebook is school property and all users will follow this policy and the CAL Technology Responsible Use Policy for technology. (See Appendix C)
- CAL retains the right to collect and/or inspect the Chromebook at any time, and to alter, add, or delete installed software or hardware.
- Chromebooks are intended for use at school each day. In addition to teacher expectations for Chromebook use, school messages, announcements, planners, calendars and schedules should be accessed using the Chromebook.
- Parents may, and are encouraged to, regularly check the Chromebook and monitor use outside of the school.
- Coaches/sponsors for individual activities may limit whether or not Chromebooks are allowed to be on buses or at particular events.

2. Student Guidelines and Responsibilities

- Students must be responsible to bring their Chromebook, **fully charged**, to all classes, unless specifically instructed not to do so by their teacher.
- If students leave their Chromebook at home, they are responsible for completing the course work as if they had their Chromebook present. Loaner Chromebooks will not be available to students who forgot to bring their Chromebook to school or failed to charge their Chromebook.
- Students must check email and Canvas accounts regularly for important communications, homework, etc.
- Students should turn off and secure their Chromebook after they are finished working to protect their work and information.
- Leaving a Chromebook unattended may result in disciplinary action.
- Chromebook use is not permitted in Chapel, assemblies, etc.
- Photos/video may not be taken of any student/teacher without their expressed permission.
- During class, sound must be muted at all times unless permission is obtained from the teacher.
- Ear buds/headphones may only be used in the classroom based upon individual teacher approval.
- Headphones must be used before or after school. Use of the external speaker is not allowed in the halls. Headphones are not allowed during class passing time, break, or lunch.

3. Student Activities Strictly Prohibited:

- Use of any Messaging services-EX: MSN Messenger, iMessage, Kik, etc.
- Use of non-educational games during class time.
- Spamming, which includes sending mass or inappropriate emails.
- Gaining access to other student's accounts, files, and/or data.
- Students are not allowed to use another student's iPad and may not allow any use by a non-CAL individual, including siblings that do not attend CAL.

4. Misuse of Chromebooks

- If a student violates any part of the above policy, he/she may be subject to the following disciplinary steps:
 - 1st Offense – An hour of detention will be issued.
 - 2nd offense – An hour of detention will be issued and Chromebook will be confiscated for 24 hours (student is still responsible for all required work).
 - 3rd offense – Loss of Chromebook privileges for a length of time determined by the administration.
- Other Considerations
 - If a student has below a 2.0 and has had difficulty with Chromebook management, that student's device may be restricted to pre-approved educational apps only for a time period to be determined by the administration, up to permanent restriction of personal apps.
 - Concerns about student Chromebook misuse may be identified by a teacher, counselor, or parent, and appropriate steps in addition to disciplinary action will be taken which may include:
 - A meeting with the student to discuss proper use of the Chromebook.

- A meeting with parents to discuss continued use of the Chromebook.

H.6.13 International Student Program

While Christian Academy has hosted international students for many years, the school began an intentional program in 2010. International students find their way to the Christian Academy school community through various pathways including word of mouth, local family connections in other countries, or relationships made on mission trips. Some of the countries represented over the years are China, Korea, Vietnam, Haiti, Nicaragua, Guatemala, Russia, Germany, and France.

As a result of providing all of its curriculum through a biblical worldview, it is a natural fit to bring a global perspective to the school community. International students provide new perspectives that help the school as it strives for excellence in all things. Christian Academy School System is committed to building communities that include international students as a part of its family and in doing so it will more closely reflect the Kingdom of God, every tongue, tribe and nation.

International students are expected to abide by all Christian Academy rules and guidelines both at school and home, including those found in the Family Handbook as well as those contained in the International Student Guidelines.

H.6.14 Library/Media Center

The Christian Academy Middle/High School Media Center is continuously expanding its media collection to meet the needs of a growing, culturally diverse student body. With its Chromebooks, printing capabilities, books, audio-visual materials and equipment, and complete automation of the circulation system, the Media Center has much to offer students and teachers.

All Christian Academy campuses use web-based *Destiny* as their Media Center management system. This system allows students to access Christian Academy's Media Center resources from their home computers as well as when they are at CAL. The web address is <https://ca.follettdestiny.com>. After accessing this web address, select your specific school and click on the Catalog tab, which gives you access to information about that Media Center's books. You may also select the WebPath Express tab to access research-worthy websites. WebPath is a safer and faster way to access previewed, educational, and age-appropriate websites than using Google.

Students have access to EBSCO databases for research through a link on each of the CAL school's Destiny Media Center's home web pages. While accessing on campus, no password is required. (While off-campus, use username = **caschools.us** and password = **arcadia.25**) Choosing the EBSCO Discovery Service databases is particularly student friendly. Just type in a subject in the search box and limit by using the options located down the left side of the screen (ie: Full text, peer-reviewed, year, publication, etc.)

Students may check out books for two weeks at a time. Fines for late books are \$.05 per day. Students with overdue books and unpaid Media Center fines (including lost book replacement fees) may not receive their yearbook until all these obligations are met.

Students are offered the privilege of using the media center printers but are limited to printing only class related, black ink printouts and are absolutely prohibited from printing copies for everyone in their class as handouts. They must plan ahead and use resources outside the school for these large print jobs. Students may additionally use the color printer for their academic assignments but must pay \$.10 per single copy or \$.20 per two-sided copy.

Students may use the Media Center at any time during the day with a pass from a teacher providing the space is available. No students are to leave and re-enter the Media Center during their visit without a pass or permission from a librarian. Teachers will schedule entire classes in advance and should not send more than four students at a time unannounced.

Students may enter the Media Center through the hallway door only. The outside doors will not be used during the school day. The Media Center will be open in the mornings at 7:45 AM and remain open until 3:30 PM after

school for the convenience of students and teachers. Periodically Media Center hours may be reduced for special circumstances.

The Media Center is intended to be a place where students and teachers can come to do serious work and study, or get help with a research project. Those whose purpose does not fit this description may be asked to return to their classroom so as not to disturb others. The use of the Media Center is a privilege that may be revoked. No eating or drinking is allowed in the Media Center.

A Chromebook charging station is available in the media center. Chargers cannot be taken out of the Media Center.

Students must have a School Policy Commitment signed by the student and parent on file in the school office before they may use any Christian Academy computers.

H.6.15 Lockers

A locker will be assigned to each student at the beginning of each school year. Students may not switch lockers without permission from an administrator. Opening or accessing a locker not your own, is considered trespassing and may result in disciplinary action. LOCKERS ARE NOT TO BE DAMAGED IN ANY WAY, INSIDE OR OUT. Pictures hung in lockers may be attached with magnets or sticky tack. Do not use any type of tape other than blue painters tape, in lockers. No inappropriate posters, pictures, or slogans are permitted inside or outside. Students who damage lockers will be held responsible for the cost of repairing the lockers. Tampering with any locker is unacceptable.

Students will be provided with padlocks for their lockers. Students must use school-provided locks. Students must keep their lockers locked at all times and should not reveal lock combinations to other students. Christian Academy accepts no responsibility for the loss or damage of any personal property placed in a locker including but not limited to textbooks, calculators, and personal items including electronic devices. A detention will be assigned for failure to have the locker locked. Replacement locks are \$5.

*The school reserves the right to open any school locker at any time.
Periodic locker inspections may be conducted.*

H.6.16 Lost and Found

Students who have found articles should immediately take them to the high school office. Lost articles may be claimed before or after school. Personal items that remain unclaimed will be donated to charity.

H.6.17 Messages

If it is necessary to send a message to a student at school, call the school office giving the student's name, grade, and a concise message. The student will be given the message at the earliest convenient time. Classes will not be interrupted to deliver a message, or to have a student return a phone call to the parent. Students may NOT make or receive calls or text messages on cell phones during class time.

H.6.18 Parent Dress at School Events

Since all adults are to be models of modesty before our students, we ask that parents please be vigilant of their dress. In light of the current styles, we ask that modesty be demonstrated in skirt length, necklines, and style.

H.6.19 Parties

During the school year there may be some off-campus high school parties that are organized by parents and are not school-sponsored. If there are questions about a privately-sponsored party, always contact the parents sponsoring the party.

H.6.20 Personal Electronic Devices

The use of Personal Electronic Devices (other than school-issued Chromebooks) is not permitted on campus during classroom time and at school sponsored activities under restricted conditions. Electronic signaling/communication devices include cell phones, smart watches, pagers, hand-held radios or MP3 players, E-readers and laptop computers with cellular/wireless phone capacity, video/audio recording devices, and any new technology developed for similar purposes.

1. Please refer to the Technology Responsible Use Policy (Appendix C)
2. Use of cell phones and other communication devices is permitted on campus before 8:20 a.m., after 3:10 p.m., at break, passing times and during lunch.
3. During instructional time teachers will require students to place their cell phone and/or smart watch in a cell phone caddy located just inside each classroom door. Students may retrieve their device at the end of class.
4. Cell phones or electronic devices (except school-issued Chromebooks) are not permitted to be used on campus:
 - During class or instruction period, chapel, and study hall,
 - To threaten, harass, ridicule, cyber-bully, and/or sexting. This may result in suspension or expulsion (See H.4.7),
 - To photograph, videotape, or record students, faculty or staff at school or school activities without prior consent of parents/guardians and approval of school staff, unless sanctioned by the High School Principal for particular school events such as parades, awards, assemblies, sporting events or other performances.
5. Personal laptop computers are not allowed to be used during the school day. Any exceptions to this policy (i.e. projects, presentations, etc.) must be approved by an administrator at least 24 hours in advance.
6. Any electronic devices used on campus without approval/during instructional time will be confiscated and held until the end of the school day. They may be picked up at 3:10 pm and an hour of detention will be assigned. Multiple violations will result in additional disciplinary actions. Please refer to the Responsible Use Policy. (Appendix C)
7. The school is not responsible for the damage or loss of electronic communication devices brought on campus or to school sponsored activities, regardless of whether the device is in the possession of a student or school official upon confiscation. Students are responsible for the safety and security of all items brought to school.

H.6.21 Pledges

The school week begins with the playing of the national anthem. Each day begins with a recitation of one of the pledges below and prayer.

AMERICAN FLAG

I pledge allegiance to the flag
of the United States of America
and to the Republic for which it stands,
one nation under God, indivisible,
with liberty and justice for all.

CHRISTIAN FLAG

I pledge allegiance to the Christian flag
and to the Savior
for whose kingdom it stands,
one brotherhood uniting all Christians
in service and in love.

BIBLE

I pledge allegiance to the Bible,
God's Holy Word,
a lamp unto my feet, a light unto my path.
Its words will I hide in my heart
that I might not sin against God.

H.6.22 Pranks and Vandalism

CAL WILL NOT TOLERATE PRANKS AND VANDALISM.

Any act that disrupts the school day, damages school or private property, creates a hardship for school personnel, or breaches the discipline code may result in legal action, serious disciplinary action (including dismissal from school), financial restitution, and fines.

Pranks and vandalism are NOT a tradition, rite of passage, or something CAL will take lightly.

Students found on campus after hours may be subject to arrest.

H.6.23 Problem Resolution

Christian Academy encourages families to create a partnership with teachers and school staff focused on the development of their child. Open and frequent communication between teachers and parents benefits the students. Parents are asked to communicate directly with their child's teacher about any questions or concerns regarding their child's performance, school programs, class activities, etc. The Christian Academy staff is committed to assist parents in answering their questions or resolving their concerns.

If parents have difficulty in reaching resolution of an issue with their child's teacher/person of concern or if they reach an impasse over an issue, it is recommended that they use the following guidelines to seek further resolve. These guidelines are based on biblical principles for conflict resolution found in **MATTHEW 18:15-17**. It is the hope of Christian Academy that everyone works well together, communicates honestly with each other and maintains a mutual respect that will allow everyone to be examples of integrity.

If parents are concerned about a specific issue and they believe it needs to be resolved, they may use the following guidelines.

1. Notify the teacher and/or person of concern and meet to try to resolve the issue.
2. If after repeated meetings between these parties, the issue is not resolved, the parents may request a meeting with both the teacher and principal to discuss the issue. At this level the parents' concerns should be documented, with a clear explanation of the problem and the recommended resolution and submitted in advance to the principal.
3. If after this meeting the issue is still not resolved, the parents may request a joint meeting with the teacher, principal and/or Superintendent.
4. If the parents can show that the school staff has violated a biblical principle or established policy, or failed to follow established procedures in managing this matter, they may appeal to the Board of Directors in writing.

The intent of this policy is to enhance relationships between parents and staff for the benefit of students. Please note, however, that any potential or suspected harm to a student or illegal activity will be reported to authorities (See Section G.2.9).

H.6.24 Senior Class Fee

Senior students pay a Senior class fee. This fee covers the cost of diplomas, diploma covers and other expenses of the graduation program. In addition, the fee provides students with a yearbook and class video.

Seniors typically take a class trip in the spring. Should your child choose to go, the cost is the family's responsibility. While some of the cost is satisfied through fund-raising events, the balance must be paid by each family. With four years in high school, it is wise to begin putting money aside each year to avoid a large payment due in their senior year.

H.6.25 Student Identification Badge Policy

The purpose of this policy is to ensure the safety and security of all students and staff on the Christian Academy of Louisville Campus. ID cards help us in identifying students as well as visitors and potential trespassers.

1. All students must wear their current year ID cards visibly around their necks on a break-a-way lanyard at all times during the school day. (Students will receive their first ID at no charge, plus one complimentary replacement ID. If a 3rd ID is required, the cost is \$20.)
 - a. The front and back of the ID Card must remain plain and free of stickers, markings, other photos, etc.
 - b. Logos, slogans, or any designs contrary to biblical principles are not permitted on lanyards. This can include, but is not limited to, music groups, company logos, etc.
 - c. Lanyards may NOT be from other elementary, middle, or high schools. However, colleges and pro teams are acceptable.
2. Lost, stolen, altered, damaged, and defaced ID Cards must be replaced IMMEDIATELY through the high school office and will be invoiced through FACTS.
 - a. Additional IDs that need to be replaced will cost \$20 - (see #1 above).
 - b. Replacement lanyards and clear sleeves will be available for \$2.
3. The ID Card must be presented to any school staff member or a person of authority when seeking student identification.
4. Additionally, the IDs are needed to
 - a. make any purchases in the cafeteria;
 - b. check out any materials from the Media Center;
 - c. see the school nurse, and
 - d. see Technology for help when needed.
5. There will be behavior consequences that follow the progression of corrective measures found in the Conduct policy section (See Section H.4.5) for not wearing an ID.

H.6.26 Student Drivers

Parking on campus is a privilege, not a right. Parking spaces are limited; all students may not be able to park on campus.

- Students *MUST* park in their designated lot. Parking permits must be *PERMANENTLY* and *VISIBLY* affixed to the back, driver-side window. Failure to do so will result in a \$10 fine or privileges may be suspended.
- Speed limit on campus is 15 MPH and students must drive cautiously on approved roadways.
- Students may not return to cars during the school day without a pass issued by the high school office.
- Students may not leave campus after arriving on the school grounds without obtaining special permission from the high school administration.
- Students will not display any tag, sticker or writing on or in their car that expresses non-biblical principles.
- Students will not play loud music or music unbecoming of a Christian Academy School System student.
- Student drivers that provide a ride for other students must follow the drop-off and pick-up procedures in the Student Drivers section of the High School Handbook.

H.6.27 Student Parking

A tag for the car, at the cost of \$25, will be provided upon registration of the student driver. Students are required to park in their assigned lot. Tags must be displayed on all cars while parked on the school premises.

A \$10 violation fee will be assessed for a student not parking in his/her assigned parking lot, for parking in visitor's, handicapped, no parking or faculty parking, for not registering his/her vehicle, or for not having his/her sticker properly affixed to and visibly displayed on the vehicle at all times. Failure to abide by the parking rules or pay

within the allotted time will result in the fine being doubled and/or disciplinary action which may include the loss of parking privileges.

H.6.28 Technology Services

Christian Academy provides technology resources (such as computers, Chromebooks, tablets, printers, and Internet access) to staff and students to advance the spiritual and educational mission of the schools. Before allowing access to technology resources, Christian Academy requires parents to read and sign the Technology Responsible Use Policy (See Appendix C) and sign the School Policy Commitment.

H.6.29 Telephone

There is a phone in the office for emergency calls by students. Students may use cell phones during passing times and at lunch. Any cell phone used during class time will be confiscated.

H.6.30 Visitors

All visitors are asked to make arrangements with the high school office staff in advance of the visit. Classroom or special activities may limit the number of visitors at any one time.

Visitors are required to sign in at the front office and in the high school office upon arrival and wear a badge while on campus. Visitors are asked to sign out and return the badge before leaving school. (See Section G.2.18)

Visitors During the School Day

Only students seriously interested in attending CAL will be allowed to shadow during the day. Other visitors may come for lunch only (see above for guidelines for approval). Students may not shadow on days when public or parochial schools are not in session.

H.6.31 Water Bottles

Students may have water in their classrooms with the following guidelines:

- The water bottle must close completely and not have the opportunity to leak.
- The plastic bottle must contain water and water only that may be refilled at the water fountains between classes. No juice, soda, addables, or energy drinks.
- Bottles are not to be in close proximity to any technology. Water will not be allowed in any computer class, computer lab, or the media center.
- There should be no discipline issues with the water bottles such as throwing, popping lids, squirting, or pouring water on other students or property.
- All water bottles must be disposed of properly and not left in hallways, desks, restrooms or on floors.
- Water bottles are only allowed in the high school classrooms and hallways. They cannot be in the auditorium, Grand Hallway, other common areas or Elementary School.
- Any classroom teacher has the right to disallow water bottles in their room. Teachers will notify students of their classroom policy.
- There will NEVER be a time when non-water items may be consumed outside the cafeteria. This includes: milk, coffee, juice, tea and any other liquid. Any drinks other than water will be confiscated and thrown away.

APPENDIX A: CHRISTIAN ACADEMY RANDOM STUDENT DRUG SCREENING POLICY

I. Random Student Drug Screening Policy

A. Philosophy

We strive to assist each student to understand that the body is the temple of God and is to be kept clean and pure, capable of responding to God's direction. *"Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God?"* 1 Cor 6:19. We are committed to assisting each student in recognizing the dangers inherent in the use of substances harmful to both physical and spiritual well-being, and in accepting responsibility to avoid the use of such substances. We want students to be able to say "no," have a reason to quit if they have already started and to provide help if a student cannot quit.

We are committed to achieving a school environment free from the use of mood-altering chemicals (drugs/alcohol) by students at school and school-related activities. Christian Academy requires complete abstinence from mood-altering chemicals not prescribed by a physician. We recognize that chemical dependency is a treatable illness. Our intention is to create an environment of concern and understanding with an emphasis on assisting the student and family in the area of concern. With the above philosophy as its basis, Christian Academy strives to partner with families to address the devastating effects of chemical abuse or dependency. The school will provide students and parents with a list of counseling and/or treatment options for those in need of help in dealing with their abuse or dependency. It is the family's responsibility to secure counseling and/or treatment.

B. Random Drug Testing

After careful consideration, Christian Academy's Board of Directors has made the decision to implement random drug testing for all High School students (9-12).

Testing Procedures

Testing will be conducted by an outside lab. Tests will use a hair sample taken from the student. Testing via hair samples offers greater detection ability over testing samples of blood, urine, or saliva, and is much less invasive than the collection of fluids. Analysis of a hair sample can detect drug use dating back approximately three months. Any prescribed drugs must be declared at the time a sample is collected. All students in high school will be included in the population subject to random drug testing.

Substances Tested

The testing may detect nicotine, alcohol, cocaine, marijuana, opiates (including heroin, codeine, morphine, oxycodone, hydrocodone and hydromorphone), Amphetamines (including Methamphetamines, Ecstasy (MDMA), Eve (MDEA), Phencyclidine (PCP), and Oxymorphone (Numorpha). The list of drugs tested may change at the discretion of the school.

C. Consequences for Testing Positive

The occurrences listed below are cumulative over the entire years of the student's high school tenure at Christian Academy. These consequences are not solely within one school year.

First Occurrence of Positive Test Results or Self Report

1. Parent(s) and student will be notified by phone of the results of the test. The Principal (or his/her designee) will meet with the student and parent(s) to discuss the results and consequences.
2. The parent(s) and student will be (1) provided with information about counseling and drug education programs; and (2) required to participate in mutually agreed upon counseling and a drug education program. Confirmation of participation and weekly progress reports must be provided to the Principal (or his/her designee). The cost for the program will be the student's/parent(s) responsibility.
3. Using the test protocol selected by Christian Academy, the student will be periodically retested for the remainder of their high school career.
4. Following a positive drug or alcohol test, the student will be suspended from participation in any school-related activity; athletics, extra-curricular activities (student leadership) or after school activity for a minimum of 3 weeks or 3 events, whichever is longer.
5. The student will be suspended from school for a minimum of two days and a maximum of five days.

Second Occurrence of Positive Test Results

If a student tests positive a second time, the student will be dismissed.

D. Confidentiality of Results

1. All sample collections and results will be identified by each student's unique number. No names will be recorded on the collection bag or the test results.
2. Test results will be confidentially provided by Psychomedics Corp. to the Principal (or his/her designee), but to no one else.
3. Parents will be notified by mail if a test is negative. The school will notify the student's parents by phone of a positive result and a meeting will be scheduled to discuss the results and consequences.
4. All test results of students will remain strictly confidential between the student, his/her parents, the Principal (or his/her designee), and the Counselor selected by the parents.
5. Absent a court order, no test result of any student will be disclosed to any person or agency beyond the persons identified above without the written consent of the student's parent.

Additional Notes

1. Any student found to be selling, promoting the sale of or in any way trafficking alcohol, prescription drugs or other illegal drugs will be dismissed. The parent(s) will be notified. Any confiscated illegal substances will be given to law enforcement authorities.

2. As required by Kentucky Revised Statutes (Section 158, as of 8/2014), when a student is dismissed for a drug or alcohol violation, the proper law enforcement authorities and his or her next high school will be informed. (Kentucky only)
3. The administration reserves the right to require drug testing of any student, at its discretion, and/or when a student has:
 - Exhibited behaviors or symptoms ordinarily associated with alcohol or illicit drug use, including but not limited to the smell of drugs, glazed eyes, unresponsiveness or unusual behaviors;
 - Been identified in or shared photographs on social media that indicate drug or alcohol use and abuse;
 - Been involved in a serious violation of school policies;
 - Been involved in truancy or habitual tardiness.
4. If a student tests positive for a prescription drug, within 24 hours the family must verify that the medication has been prescribed by a physician for the student.
5. If a hair sample cannot be taken due to a medical condition and/or a religious exception, an alternative testing method will be used. If it is impossible to take a hair sample due to shaving, the test result will be considered as a positive.

HR/9/22/2016 - 2
Revised 7/1/2024

APPENDIX B: CHRISTIAN ACADEMY DRUG SCREENING POLICY – QUESTIONS AND ANSWERS

1) Why is this policy being implemented?

We recognize social pressures and the harmful implications they can have on our students. We are entrusted with the safety and well-being of our students and we partner with parents and the church to help them develop their faith and make life decisions that will honor God and enhance their faith journey. As educators, we are accountable for helping students make good decisions using wisdom and displaying character and actions that are consistent with a Christian walk.

2) Does this mean you have a drug problem in the school?

No. This is a proactive, not a reactionary approach and policy. We recognize society's pressure on our students and the possibility of drug and alcohol pressure that can reach any child today. We want to help students prevent problems before they happen. This added accountability is another tool to enable our students to resist pressures when they occur, while offering a way to remain enrolled.

3) How will this be communicated to students in a way that doesn't convey a distrust in their ability to make the right decisions or live up to their own convictions or agreements they have signed?

This is not a policy for punishment or lack of trust. This is the realization that students are under a higher level of pressure and influence than ever. We are here to walk beside them and offer new support while holding them accountable. If they make one bad choice in this area, there will be consequences, but we will also work with them and their families to help them get the support they need to immediately stop dangerous behavior.

4) What students / grades are involved?

All students in High School.

5) Are there other occasions when students will be tested in addition to the random selection?

Yes. If a student is displaying behavior that may indicate drug or alcohol abuse, we will require testing. If a student tests positive, there will be follow-up tests. Finally, if a student self-reports, a test will be conducted.

6) What is the analysis process and how can I know it is reliable?

What is the Collection process?

A small hair sample is snipped from the back of the head, just below the crown. The goal is for the hair sample taken to be undetectable by others. The amount of hair required to obtain accurate drug testing results is a thin layer of hair, as close to the scalp as possible (1.5 inches/3.9 centimeters in width and 50 milligrams in weight). If hair on the head in one location is not long enough to collect an adequate sample, hair can also be collected from several locations on the head.

African-American students (and students of African descent) will be given the option to contact a parent or legal guardian for input regarding the preferred area of the head from which a hair sample is collected.

Hair will be collected by the school nurse, and the student will sign upon completion of a drug test to verify it is their hair sample. All drug tests are performed according to the guidelines of Psychchemedics Corporation, the world's largest hair testing organization based in Dallas, Texas.

Who is performing the analysis?

Psychchemedics will process and analyze all drug tests. They have conducted hair testing since 1987 for hundreds of colleges and schools as well as companies, police departments, and other law enforcement entities.

How can we ensure a sample is uncontaminated?

Psychchemedics was the first lab to develop a wash procedure to remove external contamination and the first to distinguish illegal drugs from antihistamines.

What is the timing of results? (When will results come back?)

Allowing for mailing time to the lab and the most complete analysis, parents can expect results within 1-2 weeks. When positive, additional tests are performed for full confirmation, including a double confirmation analysis.

What substances are identified?

The testing may detect nicotine, alcohol, cocaine, marijuana, nicotine, opiates (including heroin, codeine, morphine, oxycodone, hydrocodone and hydromorphone), Amphetamines (including Methamphetamine, Ecstasy (MDMA), Eve (MDEA) and Phencyclidine (PCP), and Oxymorphone (Numorpha). Traces of these substances can be detected for up to 3 months from the time of use.

7) How will you prevent the feeling of distrust or violation when the test is a false positive due to prescription drugs or other false alarms?

This testing is to determine the presence of illegal drugs. Because most false positive results come from sport-related drugs such as PED's, Psychchemedics has not had a false positive test on alcohol or illegal drugs since they began high school testing. Students must declare any prescription drugs being taken when tested or taken in the last three months.

8) What happens if a student volunteers that he or she has a drug or alcohol problem?

Students who self-report (before they are selected for a drug test) will not be suspended from school or extra-curricular activities. They will be required to undergo counseling and will be tested in 90 days. If they test positive after the 90 day wait period, they will be dismissed.

9) Will parents be notified when a student is selected or just if tests are positive?

Parents will be notified if their student has been tested. The principal or an assistant principal will contact the parents by mail if the results are negative (no drugs). If the test results are positive (drugs detected), the principal or an assistant principal will inform the parents via

telephone. Following that phone conversation, the parents and student will be required to meet with the principal or an assistant principal.

10) What is the process for response and restoration if there is a positive test?

First offense: Parents and students will be called in for a consultation with the principal. At that point, each case will be discussed to examine the specific details. In most cases, the student will be placed on probation, during which the parents will determine the appropriate counseling and treatment. The student will be suspended from school for a minimum of two days and a maximum of five days. The student will be suspended from sports and other activities as determined appropriate (with a minimum of 3 weeks or 3 events, whichever is longer). After 90 days an additional test will be conducted. A follow-up meeting will be held to determine if/when probationary status will be lifted.

Second offense: If there is a second offense during the student's high school term, the student will be dismissed from the school. Students will then be given a restoration plan which, when completed, will allow them to re-apply (but does not guarantee readmission).

11) If suspended from activities, who will know?

Students who test positive will be suspended from extracurricular activities such as sports, the Ambassador program, Chapel leadership positions and other privileges. They may be suspended from trips or other activities to be determined. Teachers, coaches and sponsors will be informed of the suspension (but not the reason) just as we do with any suspension.

12) Who else will be notified of a positive test?

Only students, their parents and the principal (or his/her designee) will be notified at the school.

As required by Kentucky Revised Statutes (Section 158, as of 8/2014), when a student is dismissed for a drug or alcohol violation, the proper law enforcement authorities and his/her next high school will be informed. (Kentucky only)

13) Will other students know when a student has been tested?

Only if the student chooses to share that information. The school will maintain confidentiality.

14) What are the details on the counseling/drug education process?

We will provide recommended outside counseling options that are appropriate. It is up to the parents and these counselors to develop a program that they feel is most appropriate for the student. Our only involvement is that we will require additional periodic retests for up to a year as well as regular reports from the counseling service.

15) What are the implications if the infraction took place over the summer or during breaks?

For current students, once they sign our commitment to school policies, they agree to abide by our life-style guidelines 24/7 on or off campus. This would include summers between school years. Tests conducted early in the school year would be considered valid.

16) Are other Christian schools in the country and in our area following a policy similar

to this one?

Yes, Psychedics specifically works with over 200 Christian schools in the country involved in a similar program. Similar Christian schools include Briarwood Christian School (1,900 students), First Academy (1,150 students), Trinity Christian Academy (1,500 students) and Christian Academy of Knoxville (1,100 students). Here in Louisville, Trinity High School has implemented a similar program as well.

17) What if I don't want to comply or agree to this policy?

Refusal to be tested will result in dismissal.
