Chapel Family Questions:

The Model of Obedience

Question: "What are some of the biggest or most important ways Jesus showed He was obedient to God the Father?"

Being "God's Pencil"

Question: "We talked about how we can be 'God's pencil.' What does it mean for God to be the Writer, and for us to be the pencil? How does obedience help God 'write' good things with our lives?"

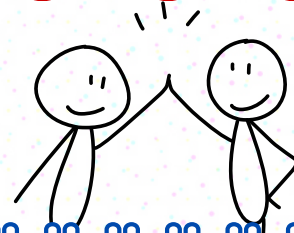

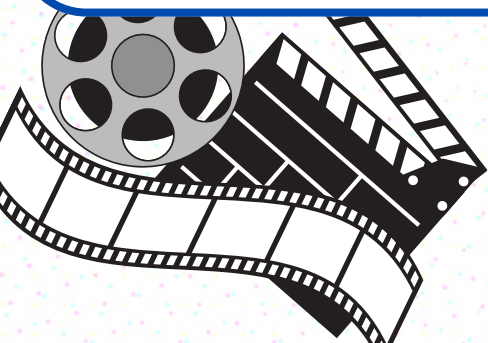

"NO DIVISION ALLOWED"

Here at CAL we desire for us all to draw into ultimate unity with Jesus Christ and into Christlike unity with one another. (1 Cor. 1:10)

Hi CAL families!

Here are some frequently asked questions about the school counseling role and how we serve students and families.

A. School counselors are defined as: "highly educated, professionally certified individuals who help students succeed in school, plan their career, and form healthy goals, mindsets, and behaviors."

Q. Who do school counselors help?

A. We help ALL students manage emotions and apply interpersonal skills and academic achievement strategies.

Q. Do school counselors provide discipline, therapy, or psychological/ academic testing?

A. No, but we can provide referrals for these resources.

Q. How do school counselors serve students?

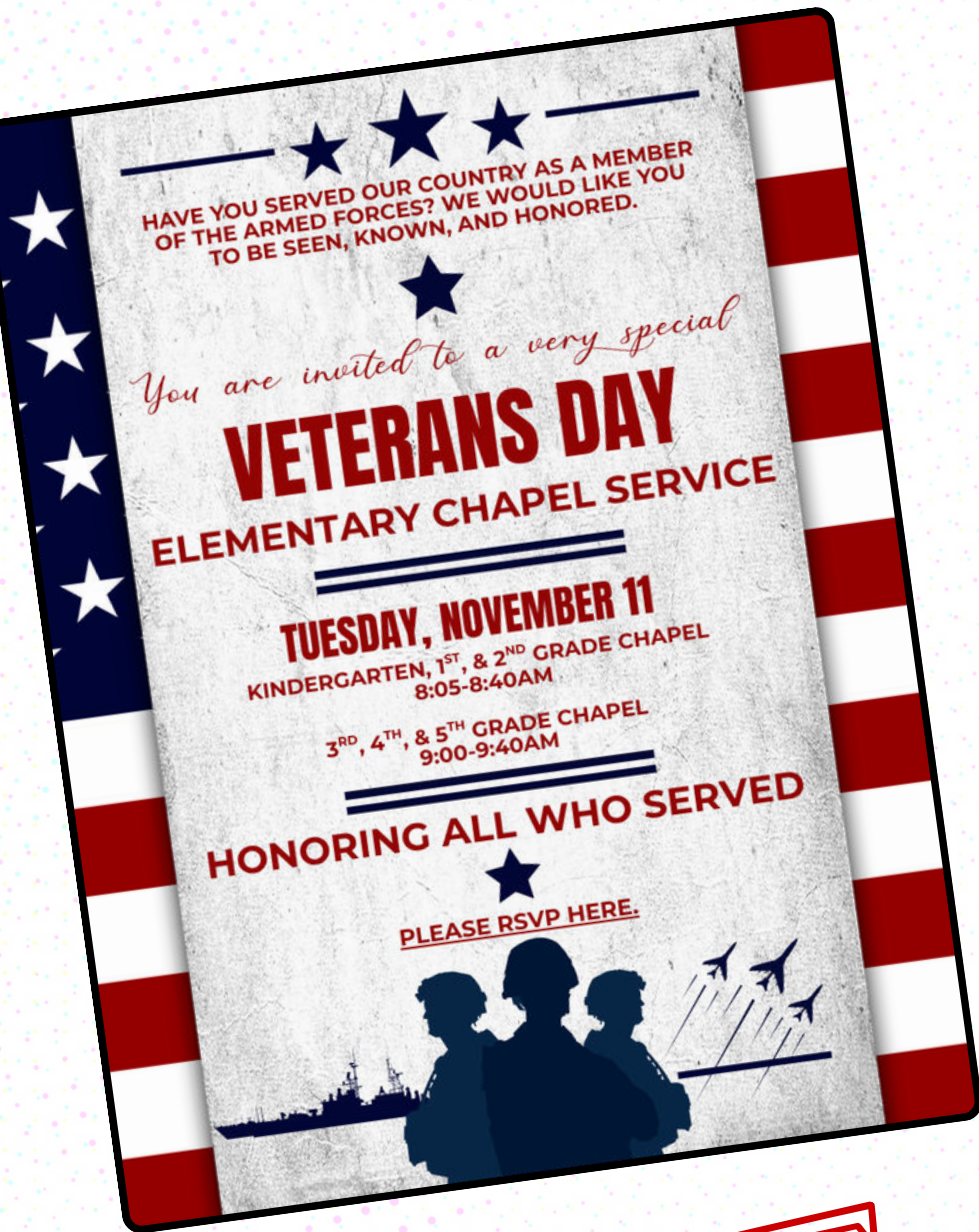

A. School counselors:

- Provide individual student counseling "during times of transition, heightened stress, critical change, or other situations impeding student success"
- Facilitate conflict resolution discussions
- Create and conduct social/emotional lessons
- Provide referrals for long-term support
- Collaborate and share strategies and resources with families/teachers/ administrators/community for student success
