Operation Christmas Child

Operation Christmas Child sends the message of Jesus to children and families all around the world through a simple shoebox of gifts. On average, 20 people will hear the Gospel message through each shoebox gift! Last Year, CAL collected **953 boxes!**

This year our goal was 1,000!

We collected... **1,032 boxes!**

That means we could help share the Gospel with

20,640 people

all around the world.

That's amazing!

A Note from the Counselors:

Each week in November we will have a new question about gratitude for you to explore with your student.

Week Four

How do we find opportunities to show gratitude through giving?

Read: Mark 14:7, Acts 4:32-37, 1 Timothy 2:1-4

- There are always people around who can use our help; the start of showing gratitude in this way is by addressing those needs instead of focusing on our own.
- Sharing is a good form of showing our thankfulness for our gifts. When we get something for which we are grateful, we can share its benefits with others in some way.
- "It is more blessed to give than to receive" (Acts 20:35). Switching our attitude to think more about what we can give to others rather than about what we can get out of life is a great foundation for grateful giving.
- Think about all the things you are grateful to have. Many of them will be things that a lot of people in the world don't have, so you can show your gratitude by giving to ministries that try to supply those needs, such as food and water and hospital care, just for a start.
- Sharing the Gospel is the greatest gift we can give to others in gratitude for the greatest gift that God gave to us, His Son.
