New Arrival Procedure

School begins on Wednesday, August 7, 2024. Our new building will require new drop off procedures that differ from previous years. Parents will now carpool to the front of the new JA Building, where they will help their child exit the vehicle. Children will then be escorted into the building by staff members. Specific route details will be shared closer to the start of school.

Please make every effort to have your child here by 8 a.m. when the JA carpool line closes. Parking will be limited. For the safety of all children on the first day of school, the Junior Academy hallways will be for staff and students only.

Building Safety and Security

Christian Academy School System has a task force team that monitors the security of all Christian Academy campuses. All of our employees go through quality training for emergency response and other crisis intervention practices. We view the safety of our students and employees as everyone's responsibility so that all employees are empowered to respond in an emergency situation. The exterior doors of the building are locked at all times and visitors are only admitted through the main Junior Academy entrance. All visitors are verified and checked in with our Visitor Management school security system.
