Football Parent Volunteer Coaches - We cannot have a program without you!

- **Because of the change in format, we need coaches! We can't have games/scrimmages if we don't have coaches.**

Do you love football or have a desire to learn more about the game?

Do you have great organizational skills?

Do you love helping kids build character and skill?

Do you love to mentor students to have a closer relationship with the Lord?

*If you answered yes to all of the above questions then you could help coach flag football! When registering your child for intramurals...please check if you are interested in being an assistant or head coach. **We rely heavily on parent volunteers to help facilitate these clinics.** Without you being involved, this will not happen!*

Please contact me with any further questions!
