## *A Note From Dr. Morrow*

As we enter the month of May and come to the close of another school year, I want to take a moment to thank you for your continued support and partnership throughout the school year. This is always a busy and exciting season for our students and staff, with many important events and milestones ahead.

In the coming weeks, students will be completing end-of-year assessments, participating in classroom celebrations, and enjoying special activities that highlight their growth and achievements. We encourage you to continue supporting your child by maintaining consistent routines, ensuring they get plenty of rest, and staying engaged with their learning.

At the same time, we are beginning to look ahead and plan for the upcoming school year. Our team of teachers and support staff has worked collaboratively to thoughtfully consider each student as we plan ahead. We have prayed over our individual students and taken a big-picture view to ensure that every child continues growing in wisdom, stature, and favor with God and men. Our goal is to build balanced classrooms that support both the academic and social success of all students. In doing so, we carefully consider a variety of factors, including individual student needs, learning styles, and overall class composition.

*For this reason, we are not able to accommodate requests for specific teachers.* This policy allows us to make thoughtful and equitable placement decisions for every child. We appreciate your understanding and continued support in this process.

Thank you again for your partnership and for being such an important part of our CAI community. If you have any questions or need assistance, please reach out to our elementary office.

Wishing you and your family a wonderful and successful finish to the school year.

All for His Glory,  
Dr. Morrow
