Boys Intramural Flag Football

2nd - 5th Grade

Christian Academy of Indiana is excited to continue our intramural flag football program this winter for boys 2nd-5th grade. This program allows our youngest Warriors an opportunity to learn on the field together as they work on the fundamentals of the game. There are many benefits for students who are involved in sports at a young age. It provides exercise, great social interaction, develops teamwork and personal accomplishment. Our goal is to always be Christ-honoring, while learning the sport and competing.

Football Parent Volunteer Coaches - We cannot have a program without you!

Do you love football or have a desire to learn more about the game?

Do you have great organizational skills?

Do you love helping kids build character and skill?

Do you love to mentor students to have a closer relationship with the Lord?

*If you answered yes to all of the above questions then you could help coach flag football! When registering your child for intramurals...please check if you are interested in being an assistant or head coach. **We rely heavily on parent volunteers to help facilitate these clinics.** Without you being involved, this will not happen!*
