Daily Information

School begins on Wednesday, August 7, 2024. Our academic hours for Junior Academy are from 8 a.m. through 12 noon. **Please make every effort to have your child here by 8 a.m.** All students must be signed in and out at the entrance to our Junior Academy hallway. You will be allowed to walk your child to class on the first day of school and get plenty of pictures of your child's first day of school. For the safety of all children after the first day of school, the Junior Academy hallway will be for staff and students only. It can become overcrowded and overwhelming to our students to have lots of traffic in the hallways.

Handbook

Please read the Indiana Junior Academy handbook in FACTS Family Portal located under Resource Documents. After reading the handbook print, sign and return the Student Intake and School Policy Commitment Form (linked above).

Dress Code

Junior Academy students are encouraged to wear everyday play clothes. Girls must wear modesty shorts underneath dresses.

Footwear: Closed-toe, closed-heel-style shoes, standard athletic shoes or indoor boots with rubber soles (NO HEELS) should be worn. Velcro fasteners are preferred.

JA Facebook Group

We have a Junior Academy Facebook Group (CAI JA 2024-2025). Please ask for permission to join the group. We will verify you are related to a student and accept you as a member. We will post information and pictures throughout the year on this Facebook Group site.

Building Safety and Security

Christian Academy School System has a task force team that monitors the security of all Christian Academy campuses. All of our employees go through quality training for emergency response and other crisis intervention practices. We view the safety of our students and employees as everyone's responsibility so that all employees are empowered to respond in an emergency situation. The exterior doors of the building are locked at all times and visitors are only admitted at the elementary and high school/middle school entrance. All visitors are verified and checked in with our Visitor Management school security system.
