

Instructions for New Lunch Accounts

MyPayments*Plus* is a great way to manage your student's lunch account. Through this free online service, you can check your child's account balance, receive low balance emails, and monitor your child's lunch room purchases. You are responsible for knowing your student's balance. MyPayments*Plus* can be accessed through the website (www.mypaymentsplus.com) or through the Mobile App available in Google Play or iTunes.

Once you set up your account and activate the notifications, you will receive an automated email when your student's lunch account balance reaches the designated amount. When that happens, you will need to make a lunch account payment.

You can set up your account by following the instructions below:

1. Go to www.mypaymentsplus.com
2. Click 'Register Now'
3. Choose 'Kentucky' for the state
4. Choose 'Christian Academy School System' for the school district
5. Complete registration by following the on-screen instructions

If you have any questions about MyPayments*Plus* after you've set up your account, please contact the Parent Support Hotline at 1-877-237-0946.

Payments: We recommend a check payable to CAI marked for the cafeteria with your student's name and Student ID (ID badge number) in the memo. You can also pay online with a debit/credit card and even set up auto pay for your convenience.

*PLEASE NOTE: MyPayments*Plus* is PCI and VeriSign certified. If you choose to make online payments, you will be charged a 4.75% fee by MyPayments*Plus*. This fee is not applied by nor does it benefit Christian Academy.

Funds need to be deposited in advance of purchases.
