

CAI Families,

We are looking forward to seeing all of you in the stands and back on the fields and courts after the summer. But, before that below is information that is helpful for you to know for CAI Athletics for the 2025-2026 school year!

ATHLETIC PASSES

We will offer an athletic pass this year. Families will have online access to purchase a pass that will get them into ALL home games for EVERY sport at EVERY level for the entire school year! The cost of the family pass is \$300 and will include all adults over 18 residing in the same household. (Please note: this pass is not eligible for IHSAA post-season events).

****Students of CAI are free and do not need to purchase a pass.***

SPORTS PHYSICALS

Summer participation for some sports begins the week schools let out and continues through the summer. Tryouts for most high school sports are being held beginning on August 4, and middle school on August 6/7, so make sure to register before then (see registration instructions below). A current physical must be on file in the athletic office in order to participate and this includes tryouts. You can check with our office to see if your child has a current physical on file. Billing for fall sports will take place once all rosters/teams are set.
