Asbury University Christian Education Partnership Scholarship

Christian Academy of Indiana has a "Christian Education Partnership" with Asbury University! As a Christian high school we love to see students choose to continue their post-secondary education at a Christian University whenever possible. However, we know that the expense of college often makes it difficult to do so. That's why we are so excited about this partnership with Asbury! After graduation, CAI students who attend Asbury University will receive 50% off their tuition per year for their four years of attendance! This is a huge reduction in the standard tuition rate! We hope it will make it possible for more students to receive a biblically based college education and have the experience of being part of a Christian college community. In addition, CAI parents who want to pursue undergraduate or graduate degrees can take classes at Asbury for 20% off tuition. Please see flyer on the counselors' page.

- Improve their time management skills, study habits, and independence
- Access Ivy Tech resources like the library and tutoring services

FSA ID

The FSA ID — a username and password — has replaced the Federal Student Aid PIN and must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you do not already have an FSA ID, you can create one. Please visit <https://studentaid.gov/fsa-id/create-account/launch> to create an ID. FAFSA will open **December 1, 2023**.

During the 2023 legislative session, the Indiana General Assembly passed [Senate Enrolled Act \(SEA\) 167-2023](#) which requires high school seniors to file the [Free Application for Federal Student Aid](#) (FAFSA) or affirmatively opt out of filing by April 15. Completing the FAFSA is an important step in a postsecondary education. Students pursuing short-term certificate training, associate/bachelor's degrees and even some apprenticeships may receive financial aid by completing the FAFSA.

Students/Parents who do not wish to file the FAFSA may opt out by submitting a FAFSA Waiver Form certifying the student understands what the FAFSA is and declines to complete it. The waiver may be found at <https://www.in.gov/che/state-financial-aid/state-financial-aid-by-program/>. and can be submitted to Mr. Wilson by April 15.
