

## Transportation of Musical Instruments on School Buses

It is important that we consider the safety of the students in the event of an emergency when transporting music instruments to and from school on buses. Priority for seating will be for students if buses are full.

All musical instruments transported in the passenger area on a school bus must be positioned in such a way that they do not block or obstruct in any way the aisle, stairwell, or emergency windows/exits.

**Extremely large and bulky instruments should not be carried on the bus at anytime.**

These include: Tubas, String Basses, Baritone Saxes, Cellos, Guitars and Bass Guitars.
