

## Asbury University Christian Education Partnership Scholarship

Christian Academy of Indiana has a "Christian Education Partnership" with Asbury University! As a Christian high school we love to see students choose to continue their post-secondary education at a Christian University whenever possible. However, we know that the expense of college often makes it difficult to do so. That is why we are so excited about this partnership with Asbury! After graduation, CAI students who attend Asbury University will receive **50% off their tuition** per year for their four years of attendance! This is a huge reduction in the standard tuition rate! We hope it will make it possible for more students to receive a biblically based college education and have the experience of being part of a Christian college community. In addition, CAI parents who want to pursue undergraduate or graduate degrees can take classes at Asbury for 20% off tuition. Please see flyer on the counselors' page.
