

Strategic Plan

ACCOMPLISHMENTS

Christian Academy

SCHOOL SYSTEM

UNITY

Christian Academy School System will be a positive example in the community portraying Biblical Unity.

1. Acknowledge the biblical value of every student, family and employee represented in our school system and every human being beyond our school system.
2. Promote our school system as a welcoming, long-term option for prospective Christian students and employees from all backgrounds.
3. Address instances of unbiblical division with biblical unifying clarity and strategies.
