SCHOOL SYSTEM

UNITY

Christian Academy School System will be a positive example in the community portraying Biblical Unity.

1. Acknowledge the biblical value of every student, family and employee represented in our school system and every human being beyond our school system.
2. Promote our school system as a welcoming, long-term option for prospective Christian students and employees from all backgrounds.
3. Address instances of unbiblical division with biblical unifying clarity and strategies.

Objective #	Win	Department/School
1,3	Nicholasville/Wilmore, Kentucky Field Trip w/ CAI & CAL HS	CAI & CAL, HS & MS
2	ESMS Heart Story video	Marketing
2,3	CAI Middle School will be implementing a House System in the school next year. This will allow students from 5th to 8th grade opportunities to build relationships with one another in a constructive way. Creating relational unity throughout the school and helping foster a greater sense of belonging on campus	CAI MS
1	Started a Best Buddies program in high school. Students are engaged and it has been a good start. Best Buddies exists to foster friendships between individuals with disabilities and their school peers. Students have attended community events as friend pairs (Disney's Beauty and the Beast) and events at school	Providence
3	"CALMS worked on building community with the ES Elementary and ES High School through office/school visits. This included: Visiting and Treating Office staffs (snacks and drinks) 3 times during the year. Praying for each office/school on morning announcements - "Lifting up" each level with students and families through positive praise - CALMS staff has also been speaking with 8th graders about the great reasons to continue through CAL High School. CALMS House Leaders and staff have worked with 4th & 5th grade students and staff to encourage them as they prepare to move into middle school. CALMS administrators have met with the 5th Grade class to encourage and prepare them for the 26-27 school year - working to reduce fear and encourage each student	CALMS

Objective #	Win	Department/School
2	Facilitated the 2nd Annual Chuck & Duck Dodge Ball Tmt to launch the new school year. This event encourages many school stakeholders (students, alumni, parents, staff) to participate and unify around a dynamic social event	CALMS
1	Provided students involvement in graduation (!), but also in musical, music performances -- band and chorus, and in our student events like "powder-puff football" and athletics (track) were highlights for us this year	CAL HS
1,2,3	Increased employee voice and participation through engagement surveys	HR
1,2,3	Encouraged collaboration and communication between employees, leaders and HR	HR
