-LAST WEEK'S SUMMARIES (CONT'D)-

GIRLS BASKETBALL-BLUE

The Blue team had a truly hard fought game last Tuesday. The girls were ready to play from the tip off and were more aggressive than the coach has seen them all season.

They have been trying to impress the idea of toughness and communication at practice. With reassurance at practice, the toughness aspect is starting to take hold. The ladies didn't back down, when pressed by a physical South Central Middle School team. Communication on the floor was questionable at first but started to improve as the game progressed.

The Lady Warriors will be working toward improving their press break, as that was what got South Central back into the game against them and was the most frustrating part for the girls during play.

The coach was so pleased to see them fight to the very end. A couple missed shots in or rebounds and they would have been on the other side of victory.

GIRLS BASKETBALL-SILVER

BOYS BASKETBALL-GOLD

The Gold team went 3-0 on the week. The Warriors beat South Central on Tuesday night, followed by Collegiate on Friday and finally Rock Creek on Saturday. They advance to 5-3 on the season, had lots of contributors across the board in all three games. They won all three games by over 15 points each. The boys are really starting to gel as a team and are implementing the things they have been working on into the recent games.

BOYS BASKETBALL-YELLOW

The Yellow team traveled to South Central on Tuesday and came away with a resounding 49-4 victory. The defense played well and the on-ball pressure by Jack Cavanaugh resulted in many steals and layups for the Warriors. Cavanaugh finished the game with eight steals, three assists, two rebounds, and nine points. Noble Priester had a double-double with 10 rebounds (team high), four assists (team high), and 11 points. Josh Hubert chipped in three rebounds and six points and Hunter Munich played a good all-around game with three rebounds, one assist, and two points.

Last Saturday, the Yellow Warriors were back in action in the Whitefied League as they faced CAL. The Warriors got out to a slow start and led by four at the end of the first quarter. The team turned up the defensive pressure and extended the lead to 16 at the half on the way to cruising to a 53-28 victory. Barrett Annis led the team in assists with three and also contributed four rebounds and six points. Chase Bibb played well in the paint and finished with six rebounds, three blocks, two steals, and 10 points. Noble Priester recorded his second consecutive double-double with 11 rebounds and 10 points to go along with fivesteals and three blocks.
