-LAST WEEK'S SUMMARIES-

VARSITY BOYS TENNIS

We began the tennis season Monday on our new courts with Corydon. While we fell 4-1, it was good to get started and the guys fought hard. Denver Butler extended his #1 singles match to a second set tiebreaker. Devin Killion won his #2 singles match in a third set tiebreaker. Both doubles teams, Landon Smith / Lucas Justice and Leyden Pavlica / Isaiah Gilbert, lost but gained valuable experience playing with each other for the first time in official matches. Three freshmen, Nate Hirschy, Cooper Lewis and Blake Arndt, won their first high school sets played in JV competition.

The Warriors played their second match of the season on Tuesday with a road trip to Charlestown, and the Pirates swept all five matches. The three singles matches all ended in two sets. The doubles teams were very competitive and showed significant improvement from last night, with both losing in third set 10-point tiebreakers. Both were so close to breakthrough victories. Three freshmen, Nate Hirschy, Cooper Lewis and Blake Arndt, followed up Monday's wins with multiple set JV wins again.

We traveled to North Harrison on Saturday to participate in their eight-team tournament for the first time. The Warriors finished seventh overall, winning two singles (Devin Killion and Zach Hamby) and two doubles (Landon Smith / Lucas Justice and Leyden Pavlica / Isaiah Gilbert) matches. They also came up just short in three matches that went to tie-breaker, including our #1 doubles team against Lanesville, the eventual tournament champ. It was a good day, getting some wins under their belt and gaining experience with multiple matches in a day and larger crowds.

VARSITY GIRLS GOLF

Our Warrior's Girls Golf team began their season with a match against Clarksville, Salem, and Trinity Lutheran at Wooded View Golf Course. Being the first career match for all of our girls, it was a good experience and a chance to get familiar with how the competition works. Our scoring was led by Lily Hard who shot a 69. Delany Annis and Lily Koerber both finished with 72's. The team will be working hard to improve scores and look forward to a rewarding season!
