-LAST WEEK'S SUMMARIES-

VARSIY CROSS COUNTRY

This past week was a great success as we kicked off our season at the Salem Invite.

Everyone competed well for the first meet of the year, and the girls team even brought home a second place trophy! Placing in award position for the girls were Madalynn Lutz in fifth place for a plaque, Anna Nash in eighth place for a medal, and Adeline Oakley with a 17th place for a ribbon. In the boys race, Alex Pinckney was the overall champion to win the individual trophy, Lincoln Birke placed 12th for a ribbon, and Gavin Taylor placed 13th overall for a ribbon. Everyone else competed well in their respective races, with one very notable accomplishment as Riley Harper slashed off approximately 5:30 of his previous personal record time!

Congratulations to all of the runners for a great first race.

VARSIY BOYS SOCCER

Two weeks ago the team met with CAL for a JV and Varsity game. It was a tough fought game for both teams. Both JV and Varsity lost their games despite a well played game for the team. The next day the varsity faced off against Lanesville. After eighty minutes the Warriors came away with a 4-0 win. Eli Brace had his first hat trick (3 goals) of the season and an assist to Ian McCarty. This past week had much less going on due to weather. The team spent the week in practice with no games prepping for further in the season.
