GIRLS BASKETBALL-SILVER

The Silver team had a great tournament this weekend. They earned the #1 seed going into the tournament and beat #4 seeded Highland Latin 30-7, led by Sophia Chavarry with 13 points. The Championship Game featured CAI Silver versus CAL. CAL had beat our girls two previous times by a total of three points, once in an overtime game. CAL played a full court press and it was a very physical game, but in the end our CAI Lady Warriors came out on top in a thrilling 20-17 win. The game went back and forth for most of the game and it was a great team win. At the end of the tournament the following players were recognized: All League Team-Emma Bowden and Molly Jackson. All Tournament Team: Madeline Blazer, Sophia Chavarry and Canaan Elliott

BOYS BASKETBALL-YELLOW

The Yellow team lost in the semifinals of the Whitefield League tournament on Saturday. After getting behind by nine points early, the Warriors battled back and tied the game at 32 in the fourth quarter, but ultimately fell to Highlands Latin 43-32. The boys showed great heart and determination in the effort, but it proved that the absence of defensive ace and leading rebounder, Noble Priester, was too much to overcome. Jack Cavanaugh played as hard as any member of the team has played all season and gained much respect with his effort. Nathan Winchell's scoring kept the Warriors within reach. The silver lining was the return of Brice Holland-Lane from injury putting the Warriors at full strength for the first time this season. Good things to come for this bunch!
