

Welcome back!

The CAL athletic department is excited to kick off another school year!

As you're likely aware, the fall sports season is quickly ramping up. High school golf and elementary football are already knee-deep in their regular seasons, high school soccer opens its regular season this week and all other sports are set to begin competing in the

next two weeks.

For those new to the Centurion ENews, it is a weekly newsletter released every Monday designed to keep the CAL community in the loop on all things Centurion athletics from the high school level down to our elementary teams. That includes score updates, photos, schedules, and more!

We plan to have over 70

(!) teams competing inter-scholastically this season, in addition to dozens of intramural teams.

With that in mind, we need your help keeping the community up to date on our teams. Most of what is published in the ENews is submitted by coaches, parents and fans. Submissions range from full write-ups to photos to simply reporting

the final score of a game.

If you are interested in contributing on behalf of your or your child's team, please email enews@caschools.us for more information. Any help is greatly appreciated.

We're eager to see each and every one of you on campus over the next several months.

2024-25 athletic passes available for purchase

Athletic passes for the 2024-25 school year are available for purchase!

Passes grant admission to every regular season home game during the fall, winter and spring seasons at all age groups. They do not cover road games or postseason games.

Upon purchase, you'll receive a card in the athletic office. You simply need to show the pass to the gate worker at the entrance of your respective facility for quick and easy entry.

Athletic passes cut down on the cost of admission for our families who plan to attend several sporting events throughout the school year and help support our athletic department.

[Click here](#) to purchase a family or individual pass. Family passes apply to an entire household.

[Click here](#) to purchase a student pass. We offer student passes to CAL students at a discounted rate in an effort to get them to attend as many sporting events as possible. The deadline to get a student pass at a discounted rate is Aug. 30.

Please note that children 10 and under get into all CAL sporting events FREE, so there is no need to purchase an athletic pass for them.

Thank you for your support of CAL athletics!

Varsity girls soccer collects exhibition win

The varsity girls soccer team traveled to Madison Central and picked up a 2-1 win over the defending 11th Region champions.

The Centurions will open up their season on Tuesday against visiting Collins. JV is set to begin at 6 p.m. with varsity to follow at 7:30 p.m.
